But Names Will Never Hurt Me:

Names Can Never Hurt Me Wade Kelly,2015-02-16 What if sexuality wasn't a definable thing and labels merely got in the way Nick Jones can't remember a time when he wasn't part of the in crowd Everywhere he goes he stands out as the best looking guy in the room and women practically fall into bed with him Then after kissing Corey on a dare led to much more and on many occasions Nick's screw anything reputation escalated but he didn't care When Nick meets RC at the restaurant where he works it throws his whole life out of whack RC lives up to his dubbed nickname Scruffy Dude He seems Nick's complete opposite but Nick can't get him out of his head Because of peer pressure and his fears about defining his sexuality Nick struggles with stepping out of his comfort zone and caring about someone different than himself If he's lucky somewhere between arrogance and ignorance Nick might find out what it means to be an adult but if he's wrong he could lose everything

From Noon Until Midnight Christopher Catledge,2008 Brothers Clay and Anthony Taylor are an intriguing study in contrasts Dark skinned like his father Clay watches as his mother favors his light skinned brother creating dissension and jealousy between the two boys that lasts throughout the rest of their childhood As adults the tension only increases Clay is a rough talking middle class Chicago police officer while high yella Anthony has become an accomplished junior executive in the world of finance Everything has come easily to Anthony maternal affection athletic ability girls financial success and Clay has watched Anthony s charmed life with growing envy and resentment But Anthony finds Clay closedminded and uncivilized and he sees his brother as an embarrassment When a mutual acquaintance with a hatred for Anthony causes trouble that threatens the entire family the brothers realize that they cannot support their family without first embracing one another The Taylor brothers learn that they have more similarities than differences and both yearn to repair their relationship but they must overcome past hurts lingering anger and selfish pride to make that happen A gritty novel of two brothers facing intraracial division intimacy issues and intense sibling discord From Noon until Midnight is a compelling reminder about the value of family and the healing power of brotherhood
