By Gods Grace Alone:

Grace Alone---Salvation as a Gift of God Carl R. Trueman,2017-04-18 Grace is the heart of the Christian gospel It s a doctrine that touches the very depths of human existence and makes Christianity such an essential alternative to the dissolution and nihilism of modern culture Grace Alone guides you into a better doctrinal understanding of the issue and gives you a more glorious vision of an active and saving God The language of grace fills the Bible so much that to say grace alone may not evoke much reflection Unlike faith alone there s no theological controversy among expressions of Christianity Reviving one of the five great declarations of the Reformation and one of the more overlooked sola Gratia professor and church historian Carl Trueman Provides a thorough definition of grace as it s found in the Bible and an overview of biblical references to and teaching on grace Tracks the doctrine of grace as it s been articulated throughout church history with discussions of Augustine Pelagius Thomas Aquinas and ending with the Reformation and theologies of Luther and Calvin Looks at the relationship between the means of grace and the modern church defining the practical implications of the Reformation s understanding of grace Explanations throughout on the relationship of grace to sin salvation and glorification God s sovereignty the sacraments and the controversies regarding freewill and predestination Grace Alone is a beautiful and much needed revival of this foundational doctrine and the assurance of salvation THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God s glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

The Beauty of Divine Grace GABRIEL N.E. FLUHRER,2022-10-18

What sets the historic Christian faith apart from all other religions and worldviews Nothing less than the good news of God's saving grace in Jesus Christ The Protestant Reformers boldly declared the marvelous message of the gospel Salvation is by God's grace alone through faith alone in Christ alone as revealed in Scripture alone to the glory of God alone Together these alone statements are called the five solas of the Reformation In this book Dr Gabe Fluhrer explains how the five solas give us the heartbeat of the gospel and the road map for the Christian life By knowing these core biblical truths we can cultivate deeper delight in God's grace and greater devotion to His glory

DENOMINATIONS: FROM GOD OR MAN? Volume Three John F. Lugg,2025-03-06

Having faith in and believing in the validity of the Scriptures as absolute truth is becoming increasingly critical as we examine these more recent denominations Paul told Timothy All Scripture is inspired by God and profitable for teaching for reproof for correction for training in righteousness so that the man of God may be adequate equipped for every good work 2 Timothy 3:16-17 That was true in Paul's day and continues to be true today The importance of that belief is revealed in this book as it contains two groups in particular that have compromised on this passage the Presbyterian Church taking the position that Scripture has either no error or being written by men contains much error with numerous views in between all views being tolerated and accepted by their Constitution And the other group the Methodist Church who claim The Bible's true authority does not lie in its verbal inerrancy or even its factual accuracy it's power is not demonstrated in winning arguments but in transforming lives To properly understand Scripture Methodists insist one must filter God's Word through a lens of tradition reason and experience Why are the Scriptures God's Holy Word profitable for teaching for reproof for correction and training in righteousness not sufficient today Why are they being accused of lacking factual accuracy Why the need to filter them to be understood Seeking an answer to these is but one goal of this third volume

Denominations From God or Man

FOR GOD SO LOVED WHO THE TRUTH CONCERNING THE MOST MISUNDERSTOOD MISREPRESENTED AND MISUSED SCRIPTURE IN ALL OF GOD'S HOLY WORD

To Teach the Truth Schubert M. Ogden,2015-03-31

But will it teach The only good answer to this question often asked about a Christian theology is to teach it which is to say to teach according to it to what it indicates reflectively and critically valid Christian teaching ought to be This volume of selected courses and seminars documents a

career long attempt to do exactly that Concerned at once to be faithful to the Christian witness and to speak intelligibly and credibly to women and men here and now it represents the way of doing church teaching and so clarifying the meaning of the Christian commitment that is of a piece with the distinctive way of doing Christian theology set forth and argued for in Schubert Ogden's other books and articles This is why the courses and seminars seek to address the real questions of persons about being a Christian today and include extended treatment of such basic issues as the authority of Scripture and the credibility of the Apostles Creed It is also why each of them in its way indirectly calls for a Christian decision Thus together with its companion volume *To Preach the Truth* this book offers a model for bearing witness to the truth as Christians understand it

By Grace Alone Jay Harold Ellens, 2013-11-13 These sermons make a strong exegetical and homiletical case each based upon specific biblical texts for the central biblical claim for God's radical unconditional and universal grace to humankind They address a variety of themes and texts for Ordinary Time with the intent of surprising the reader preacher or hearer with a fresh and attention getting perspective on the gospel message This volume is filled with sermons that deal in every case with profound biblical and theological issues exegetically grounded in direct interpretation of Scripture texts and woven together in such a way as to consistently bring to the surface the mainstream of the radical grace theology that is the Word of God throughout both the Hebrew Bible OT and the Christian Scriptures NT That grace theology mainstream runs from Genesis 3:15 to the last chapter of The Revelation of St John

Salvation by Grace Through Faith Alone Don Wenzel, 2012-10 This book is written for today's church However it is not written to impugn anyone's belief Rather the purpose is to redirect the sole honor glory and credit for anyone's salvation toward the Triune God and away from any human initiative or action To take credit for any part of salvation regardless of the amount is to take away from the effectiveness of the workings of the Holy Spirit Christ's sacrifice and the Father's divine will
