Liturgical Song and Practice in Dante's Commedia Helena Phillips-Robins,2021-04-15 This study explores ways in which Dante presents liturgy as enabling humans to encounter God In Liturgical Song and Practice in Dante s Commedia Helena Phillips Robins explores for the first time the ways in which the relationship between humanity and divinity is shaped through the performance of liturgy in the Commedia The study draws on largely untapped thirteenth century sources to reconstruct how the songs and prayers performed in the Commedia were experienced and used in late medieval Tuscany Phillips Robins

shows how in the *Commedia* Dante refashions religious practices that shaped daily life in the Middle Ages and how Dante presents such practices as transforming and sustaining relationships between humans and the divine. The study focuses on the types of engagement that Dante's depictions of liturgical performance invite from the reader. Based on historically attentive analysis of liturgical practice and on analysis of the experiential and communal nature of liturgy, Phillips Robins argues that Dante invites readers themselves to perform the poem's liturgical songs and by doing so to enter into relationship with the divine. Dante calls not only for readers' interpretative response to the *Commedia* but also for their performative and spiritual activity. Focusing on *Purgatorio* and *Paradiso*, Phillips Robins investigates the particular ways in which relationships both between humans and between humans and God can unfold through liturgy. Her book includes explorations of liturgy as a means of enacting communal relationships that stretch across time and space, the Christological implications of participating in liturgy, the interplay of the personal and the shared enabled by the language of liturgy, and liturgy as a living out of the theological virtues of faith, hope, and love. The book will interest students and scholars of Dante studies, medieval Italian literature, and medieval theology. **Small Press Review**, 1994 *The Divine Comedy & Paradise* Dante Alighieri, 2004-04-29 In *Paradise*, having plunged to the uttermost depths of Hell and climbed the Mount of Purgatory, Dante ascends to Heaven, continuing his soul's search for God, guided by his beloved Beatrice. As he progresses through the spheres of Paradise, he grows in understanding until he finally experiences divine love in the radiant presence of the deity. Examining eternal questions of faith, desire, and enlightenment, Dante exercised all his learning and wit, wrath and tenderness in his creation of one of the greatest of all Christian allegories. How to William Reichard, 2003 *How To* was a finalist for the Academy of American Poets James Laughlin Award. In this distinguished collection of poems, William Reichard graciously inspires his readers to celebrate as well as mourn all things transformed by choice or circumstance. Strong meditations on the hopefulness and hopelessness that attend our attempts to connect with each other. *Lambda Book Report* *Dante's War* Sandra Sabatini, 2009 In this tender dramatic novel, Sandra Sabatini explores the cost of war on the ordinary people who fought on different fronts in the vast wasteland of North Africa and in the green hills of Nazi-occupied Italy. Dante and Angelina, two young lovers, who meet on the eve of Dante's deployment to North Africa, fight to survive the Second World War. While Dante becomes an accomplished mechanic working on German fighter planes, Angelina contends with the presence of German soldiers in her own small town and the evil that they introduce into her world. Apart, they must both find the strength to endure and to stay alive in order to find each other again. Praise for *The Dolphins at Sainte Marie*, a wonderful collection. Sabatini's stories are superbly crafted; her characters vivid; their lives ultra-present and felt. Here are the fresh, piercing hurts and fast-hardening revelations of growing up. Lisa Moore Giller, prize finalist for *Open* and *Alligator*. It's all here: an empathy with characters, a sly sense of humour, a sharp eye for the minutiae. *The Montreal Gazette* Forthcoming Books Rose Army, 1994-02 *Small Press Record of Books in Print* Len Fulton, 1994 **The Complete Midnight Breed 12-Book**
