Black Magick Breaking H. K. Jadoon, 2017-01-29. No matter how strong Black magic is done upon you by your enemies. No matter how long you are suffering from the evil effects of black magic spells, Spirits, Ghosts, You can deal with these issues very easily without any help of expert spiritual healer if you know this spiritual knowledge of the Saints. As we all know, famous proverb: every problem has a solution. We also know every disease has its own medicine. God made every thing in pairs in this material world. There are Negative forces but also Positive forces. There is black magic but also there is anti black magic knowledge to destroy it. Here I am sharing this hidden Knowledge to help the humanity with the consent of my Spiritual Masters. There are rituals, amulets, and charms of black magic but there are also anti black magic amulets, Naqoosh, and Spiritual knowledge. We live in a World of duality where darkness and light are two sides of the same coin. All religion talks about the existence of evil spirits and satanic forces in our world. Black magic is the use of negative energies and power by wicked and evil people living around us. People who practice black magic on others have special goals in their minds: either to harm someone or deprive someone from living a peaceful life, make them ill, and finally to kill them. Similarly, all humans have two sides: divine as well as evil within them. There are people who are working for wellbeing and prosperity of others but on the other hand, some humans who turned in to 100% evil and the remaining divinity within them is overtaken by darkness. We know Sun is light provider to the world but at any given time, half of the Earth remains in the darkness while the other half receives light from the sun. The world of darkness is ruled by the evil spirits like ghosts, witches, demons, and Satan. While the world of light is hoisted by Angels and higher beings. However, we humans have been given the choice to live in darkness or to move towards

the light Black magic is used to harm and hurt humans by performing certain Rituals Making animal sacrifices to make happy to evil entities and to get help from them while anti black magic knowledge is used to vanquish black magic effects and to protect people from evil effects of all black magic types You can use this anti black magic spiritual knowledge to get rid from your material problems of life This knowledge is shared according to different problems and diseases in life Taking bath and wearing clean clothes are essential before recitation of this Spiritual knowledge In Impurity only black magic works
