Dark Waters:

Dark Waters Kathryn Mitchener,2011-07-28 As a young child I suffered from depression for over six and a half years as I developed into a young adult This molded my life and the person I am today but so much along the journey I felt I was alone and that no one truly understood me I hope that readers can connect with me through my writing and see that there are many challenges we may face in life but that they can be overcome My work is not all dreary and black I tell of love family gratitude and simplicity I also bare my soul and let people see the absolute despair of a child and young woman as she struggles to find herself and the meaning of a life that has so many different pathways offered but no signpost to indicate which direction to take Not all my writing is based on my own experiences but written from my observations of the world and people around me

Dark Waters, Starry Skies Jeffrey Cox,2023-03-02 Esteemed Pacific War historian Jeffrey Cox has produced a fast paced and absorbing read of the crucial New Georgia phase of the Guadalcanal Solomons Campaign during the Pacific War Thousands of miles from friendly ports the US Navy had finally managed to complete the capture of Guadalcanal from the Japanese in early 1943 Now the Allies sought to keep the offensive momentum won at such a high cost Determined not to repeat their mistakes at Guadalcanal the Allies nonetheless faltered in their continuing efforts to roll back the Japanese land air and naval forces *Dark Waters Starry Skies* is an engrossing history which weaves together strategy and tactics with a blow by blow account of every battle at a vital point in the Pacific War that has not been analyzed in this level of detail before Using first hand accounts from both sides this book vividly recreates all the terror and drama of the nighttime naval battles during this phase of the Solomons campaign and the ferocious firestorm many Marines faced as they disembarked from their landing craft The reader is transported to the bridge to stand alongside Admiral Walden Ainsworth as he sails to stop another Japanese reinforcement convoy for New Georgia and vividly feels the fear of an 18 year old Marine as he fights for survival against a weakened but still determined enemy
