*About Chekhov* Ivan Alekseevich Bunin, 2007-06-05 Seven years after the death of Anton Chekhov his sister Maria wrote to a friend You asked for someone who could write a biography of my deceased brother If you recall I recommended Iv Al Bunin No one writes better than he he knew and understood my deceased brother very well he can go about the endeavor objectively I repeat I would very much like this biography to correspond to reality and that it be written by I A Bunin In *About Chekhov* Ivan Bunin sought to free the writer from limiting political social and aesthetic assessments of his life and work and to present both in a more genuine insightful and personal way Editor and translator Thomas Gaiton Marullo subtitles *About Chekhov The Unfinished Symphony* because although Bunin did not complete the work before his death in 1953 he nonetheless fashioned his memoir as a moving orchestral work on the writers existence and art Even in its unfinished state *About Chekhov* stands not only as a stirring testament of one writer s respect and affection for another but also as a living memorial to two highly creative artists Bunin draws on his intimate knowledge of Chekhov to depict the writer at work in love and in relation with such writers as Tolstoy and Gorky Through anecdotes and observations spirited exchanges and reflections this memoir draws a unique portrait that plumbs the depths and complexities of two of Russia s greatest writers

*Light & Dark: Greyknight* D. M. Fife, 2022-08-16 Returning from a less than magical year at the White Rock Academy of Illumination which resulted in a friend s death the loss of a powerful Shadow weapon the Black Bonded and the continued perceived betrayal of those he trusts Danny Firoth finds himself torn between the competing ideals of the Light and his own Given the magnitude of the ongoing clash between the forces of Light and the forces of Dark Danny finds the scale of high school trifles rather trivial in comparison Reinforcing this viewpoint his fears become all too real as the ancient battle between the Light and the Dark spills directly into the halls of the school Danny is confronted with a new threat wielding the very weapons he tried so desperately to keep from falling into the Shadows hands Black Bondeds In the face of this new threat Danny and his friends must work alongside a new kind of ally those of the Grey the Greyknights Unsure of these new would be allies Danny struggles in his continued effort to unravel the chronicle of the Mageknight and his place as the aspirant savior in the battle to come as the Shadow threat seems to grow to a culminating level Faced with the overreaching shade of the Shadows Danny must face a question that has been pending for quite some time to embrace the lies of the Light and the falsehood of his prophesized role or betray their principles for the good of what is to come *Light and Dark Greyknight* is the third book in the *Light and Dark Series* a continuing sequence of epic fantasy adventure novels that combine new elements of science fiction scientific theories and technology and a mythological connection to legend lore and religion to an already thrilling world of formidable villains and gallant heroes magic super powered action and spell casting escapades exploring a fresh militaristic setting while adding the continued tradition of appealing characters fictional and non fictional locals and an enchanted cast of races

dark mass that was both visible and invisible opaque and transparent a shadow with dimension darkness with volume An ominous sound of hushed mutters seemed to sigh out from within the darkness itself as the Hunter continued to expand it The misty shadows stretched forth as if to get a feel for the surroundings This was where the Dark Ones got their name For over fifty years a war has been raging Threatened by the Dark Ones Man has agreed to a system of partnerships forming a new way of life with phoenixes winged horses and dragons Children are taught at a young age to fight for what is right and to trust in the One As war ravages the land eight children will learn how to defend themselves their friends families and homelands The son of a king the daughter of a queen a descendant of an underground fighter and a child of the forest will choose four others and unite unwittingly setting a prophecy in motion as the Dark Ones initiate a new offensive Will the eight be able to halt this advancement or will more of the world fall into darkness Jessica Lynn Campos is an engineering student at Oklahoma State University Between classes she enjoys reading playing games and guitar and of course writing Her ideas stem from a strong Christian faith and from watching the world around her especially her family Her mother father sister and three brothers were the inspiration for many of the characters They were also her support when she looked to publish She gives credit to God who made everything fall into place at the right time Without Him nothing would be possible Gal 6 17
