Dark Roots:

Dark Roots Cate Kennedy, 2018-11-20 Heartbreakingly detailed vibrant and vital prize winning stories by an Australian contributor to The New Yorker Entertainment Weekly In this coolly exact sharp evocative and often poetic collection of award winning short fiction Cate Kennedy daringly travels to the deepest depths of the human psyche to explore the collision between simmering inner lives the cold outside world and the hidden motivations that propel us all to act The New York Times Book Review Kennedy captures entire lives expertly documenting the risks and compromises made in both forging and escaping relationships Her 17 standout stories are populated by people on the brink whether it s a woman floundering with her own loss and emotional immobility as her lover lies in a coma a neglected wife who cannot convince her husband of the truth about his two brutish shamelessly libidinous friends or a married woman who comes to realize that her too tight wedding ring isn t the only thing that s stuck in her relationship Elle Each character must make a choice and none is without consequence even the smallest decisions have the power to destroy or renew to recover and relinquish Devastating evocative richly comic and full of provocative messages tantalizingly revealed Dark Roots deftly unveils the traumas that incite us to desperate measures and the coincidences that drive our lives O The Oprah Magazine With an effortless talent for the comic and the chilling Cate Kennedy has crafted stories that are sly seductive and surprising A standout debut Alicia Erian author of Towelhead *Encyclopedia of Black Studies* Molefi Kete Asante, Ama Mazama, 2005 Encyclopedia containing a full analysis of the economic political sociological historical literary and philosophical issues related to Americans of African descent

Seed to Harvest Shawna DeForest Morby, 2022-05-13 Do you ever wonder why the Bible uses so many references to seeds plants and harvest Or why the first home for humanity was a garden Does the abundance of foliage all around us perhaps have some wisdom from our maker entwined within its roots When we compare our lives to the life cycle of plants we can see similarities that allow us to relate and in that relationship there is wisdom and answers Our world is surrounded by plant life in various stages of their life cycle from seed form to harvest There s no mistake that God first created a garden and had us work the ground God s garden is the world around us When we sit in the garden not only are we blessed by God s colorful artistry but we find wisdom for how to live our lives in abundance producing fruit for God s harvest As you read this book you will discover God s love his plan and his purpose for you as you compare yourself to the seed sprout leaves flowers fruit and harvest You will also learn from God s divine design as we study the storms and pests that may hinder growth and stall or completely stop a potential harvest How can we be prepared to weather the storms in our life Is there something to be learned from the plants that have survived through drought storms and pests You do not have to be a farmer or gardener to enjoy this book because everything we discuss is all around you If your thumb isn t even the faintest bit of green you can still gain great wisdom from this book God does not call the qualified but qualifies the called and that is you Believe it or not you are valuable You are important in God s massive design and he wants your help with the harvest
