Dark Sun Te Rapunga Quest George Dibbern:

Dark Sun Erika Grundmann, 2004 **On Henry Miller** John Burnside, 2018-03-27 An engaging invitation to rediscover Henry Miller and to learn how his anarchist sensibility can help us escape the air conditioned nightmare of the modern world The American writer Henry Miller's critical reputation if not his popular readership has been in eclipse at least since Kate Millett's blistering critique in *Sexual Politics* her landmark 1970 study of misogyny in literature and art Even a Miller fan like the acclaimed Scottish writer John Burnside finds Miller's sex books including *The Rosy Crucifixion* *Tropic of Cancer* and *Tropic of Capricorn* boring and embarrassing But Burnside says that Miller's notorious image as a pornographer and woman hater has hidden his vital true importance his anarchist sensibility and the way it shows us how by fleeing from conformity of all kinds we may be able to save ourselves from the air conditioned nightmare of the modern world Miller wrote that there is no salvation in becoming adapted to a world which is crazy and in this short engaging and personal book Burnside shows how Miller teaches us to become less adapted to the world to resist a life sentence to the prison of social intellectual emotional and material conditioning Exploring the full range of Miller's work and giving special attention to *The Air Conditioned Nightmare* and *The Colossus of Maroussi* Burnside shows how with humor and wisdom Miller illuminates the misunderstood tradition of anarchist thought Along the way Burnside reflects on Rimbaud's enormous influence on Miller as well as on how Rimbaud and Miller have influenced his own writing An unconventional and appealing account of an unjustly neglected writer **On Henry Miller** restores to us a figure whose searing criticism of the modern world has never been more relevant

Strangers Arrive Leonard Bell, 2017-11-17 None of us had the faintest idea where we were going but during 1938-39 the town Christchurch was made strangely interesting for anyone like myself with the scattered arrival of the refugees All at once there were people among us who were actually from Vienna or Chemnitz or Berlin who knew the work of Schoenberg and Gropius Anthony Alpers 1985 From the 1930s through the 1950s a substantial number of forced migrants refugees from Nazism displaced people after World War II and escapees from Communist countries arrived in New Zealand from Europe Among them were an extraordinary group of artists and writers photographers and architects whose European modernism radically reshaped the arts in this country In words and pictures *Strangers Arrive* tells their story Ranging across the arts from photographer Irene Koppel to art dealer and printmaker Kees Hos architect Imric Porsolt to writer Antigone Kefala Leonard Bell takes us inside New Zealand's bookstores and coffeehouses studios and galleries to introduce us to a compelling body of artistic work He asks key questions How were migrants received by New Zealanders How did displacement and settlement in New Zealand transform their work How did the arrival of European modernists intersect with the burgeoning nationalist movement in the arts in New Zealand *Strangers Arrive* introduces us to a talented group of aliens who were critical catalysts for change in New Zealand culture

Stand Still Like the Hummingbird Henry Miller, 2014-06-10 One of Henry Miller's most luminous statements of his personal philosophy of life *Stand Still Like the Hummingbird* provides

a symbolic title for this collection of stories and essays Many of them have appeared only in foreign magazines while others were printed in small limited editions which have gone out of print Miller s genius for comedy is at its best in *Money and How It Gets That Way* a tongue in cheek parody of economics provoked by a postcard from Ezra Pound which asked if he ever thought about money His deep concern for the role of the artist in society appears in *An Open Letter to All and Sundry* and in *The Angel is My Watermark* he writes of his own passionate love affair with painting *The Immorality of Morality* is an eloquent discussion of censorship Some of the stories such as *First Love* are autobiographical and there are portraits of friends such as *Patchen Man of Anger* and *Light* and essays on other writers such as *Walt Whitman Thoreau Sherwood Anderson and Ionesco* Taken together these highly readable pieces reflect the incredible vitality and variety of interests of the writer who extended the frontiers of modern literature with *Tropic of Cancer* and other great books

Chappy Patricia Grace,2015-05-27 Spanning several decades and several continents and set against the backdrop of a changing New Zealand *Chappy* is a compelling story of enduring love Uprooted from his privileged European life and sent to New Zealand to sort himself out twenty one year old Daniel pieces together the history of his Maori family As his relatives revisit their past Daniel learns of a remarkable love story between his Maori grandmother Oriwia and his Japanese grandfather *Chappy* The more Daniel hears about his deceased grandfather the more intriguing and elusive *Chappy* becomes In this touching portrayal of family life acclaimed writer Patricia Grace explores racial intolerance cross cultural conflicts and the universal desire to belong Also available as an eBook
