## **Das Gewalt Dilemma:**

**Das Gewalt-Dilemma** Wilhelm Heitmeyer, 1994 Wilhelm Heitmeyer ist Professor für Pädagogik an der Universität Bielefeld und leitet dort das Institut für interdisziplinäre Konflikt und Gewaltforschung [Antisemitism and Xenophobia in Germany after Unification](#) Hermann Kurthen, Werner Bergmann, Rainer Erb, 1997-05-29 Since unification Germany has experienced profound changes including the reawakening of xenophobic hate crime anti-Semitic incidents and racist violence This book presents the most recent research conducted by a team of American and German experts in political science sociology mass communication and history They analyze the degree of antisemitism xenophobia remembrance and Holocaust knowledge in German public opinion the groups and organizations that propagate prejudice and hate and the German American and Jewish perceptions of and reactions to these phenomena *Transrational Resonances* Josefina Echavarría Alvarez, Daniela Ingruber, Norbert Koppensteiner, 2018-02-28 This book comprehensively gathers the current academic literature field expertise and artistic developments on Wolfgang Dietrich's Many Peaces theory in the ways it has been conceptualized and practiced by peace and conflict workers around the world Both scholars and practitioners challenge and creatively explore the field of transrational peace philosophy contributing their insights on elicitive methods and conflict mapping The book is further enriched by artistic perspectives on integrative approaches to theatre for living and intercultural soundscapes The articles collected here respond with innovative strength and vigor to the worldwide need for further research on peace and for practical approaches to conflict transformation This book therefore equally appeals to scholars peacebuilders and practitioners as well as artists engaged in conflict transformation [Rechtsextremismus - Herausforderung für das neue Millennium](#) Marc Coester, Uwe Gossner, 2002 Revision of the author's Diplomarbeit Eberhard Karls Universität Tübingen 1998 presented under the title Rechtsextremismus eine Wirklichkeit *Das Gewalt-Dilemma* Wilhelm Heitmeyer, Otto Backes, Rainer Dollase, 2009 *International Handbook of Violence Research* Wilhelm Heitmeyer, John Hagan, 2005-08-12 An international manual is like a world cruise a once in a lifetime experience All the more reason to consider carefully whether it is necessary This can hardly be the case if previous research in the selected field has already been the subject of an earlier review or even several competing surveys On the other hand more thorough study is necessary if the intensity and scope of research are increasing without comprehensive assessments That was the situation in Western societies when work began on this project in the summer of 1998 It was then too that the challenges emerged any manual especially an international one is a very special type of text which is anything but routine It calls for a special effort the state of the art has to be documented for selected subject areas and its presentation made as compelling as possible The editors were delighted therefore by the cooperation and commitment shown by the eighty-one contributors from ten countries who were recruited to write on the sixty-two different topics by the constructive way in which any requests for changes were dealt with and by the patient response to our many queries This volume is the result of a long process It began

with the first drafts outlining the structure of the work which were submitted to various distinguished colleagues Friedheim Neidhardt of Berlin Gertrud Nunner Winkler of Munich and Roland Eckert of Trier to name only a few supplied valuable comments at this stage

**Violence - Reason - Fear** Jutta Ecarius, Johannes Bilstein, 2023-07-11 The book explores the question of the significance of fear and reason in the context of cultural violence and subjective different experiences of violence Perspectives from the social sciences educational philosophy and cultural studies open up an interdisciplinary approach to violence of culture and media the experience of fear and vulnerability as well as strangeness and rage

**Authoritarian Temptations and Right-Wing Threat Alliance** Wilhelm Heitmeyer, 2024-06-25 This book by noted German sociologist Wilhelm Heitmeyer analyses capitalist development in Western Europe with a focus on Germany since the 1990s and its consequences for open society and liberal democracy Following Heitmeyer's long term interest in extremism this book highlights two main threads of discussion the causes and distribution of authoritarian tendencies and the processes and steps of escalation of these tendencies through right wing alliances It critically views capitalism and capitalist governance in times of crises against problems of political representation and the devaluation of certain groups It looks at a broad spectrum of attitudes in the population on the bases of a representative longitudinal study called group focused enmity Using the model of a concentric escalation continuum this book also analyses the steps of differentiation and dynamization of the right wing spectrum in the process of development of successful right wing alliances Heitmeyer meticulously studies how violent processes escalate and increases as a danger for the open society and liberal democracy especially in times of crisis and unsecured future The book has important gleanings for anyone seeking to understand and address extremism and political alienation in societies today

Internal Security Beyond Borders Olivier Brenninkmeijer, 2001 Challenges to internal security in Europe including juvenile delinquency anti foreigner sentiments violence organised crime etc are increasingly affecting public perceptions of safety This book provides an overview of the challenges to internal security and argues in favour of a more comprehensive understanding of what internal security entails and what should be kept in mind when looking at crime statistics or when discussing offending behaviour by foreigners It concludes that public concerns about insecurity need to be taken more seriously and that to meet future security needs it is necessary to look beyond the traditional confines of police jurisdiction and national territory Instead security efforts should address international as well as local challenges that influence subjective feelings of security and affect actual conditions of public safety In other words internal security is no longer an internal affair of individual countries It has become an international concern that requires both local as well as Europe wide and global attention
