[The Northern Ireland Assembly](#) Sean Haughey, 2023-09-08 Northern Ireland's power sharing Assembly is understudied in the legislative studies literature Having been suspended or de facto suspended for around 40% of its existence conversation has tended to focus more on the wider political problems in which the Assembly has been enmeshed and less on its day to day functions as a legislature This book is the first to examine how the Assembly fulfils the four core functions of a legislature representation linkage scrutiny and policy making Using Members of the Legislative Assembly MLAs as the primary unit of analysis the book explores who and how MLAs represent their approach to cultivating links with constituents their use of parliamentary scrutiny tools and their contribution to law making The book

grounds its analysis in original data sourced from elite interviews surveys parliamentary questions legislation and the Official Report of parliamentary proceedings Readers will therefore be able to reflect on whether the Assembly's often poor reputations comport with empirical realities This book contributes to debates in the legislative studies and consociational power sharing literatures and will be of interest to students and scholars of parliaments devolution and Northern Ireland politics
