Firm Value And Optimal Levels Of Liquidity:

Value-Based Working Capital Management G. Michalski,2014-04-15 Value Based Working Capital Management analyzes the causes and effects of improper cash flow management between entrepreneurial organizations with varying levels of risk This work looks at the motives and criteria for decision making by entrepreneurs in their efforts to protect the financial security of their businesses and manage financial liquidity Michalski argues that businesses exposed to greater risk need a different approach to managing liquidity levels Financial Management; Principles and Practice , *Interdisciplinary Behavior and Social Sciences* Ford Lumban Gaol,2015-02-27 The human aspect plays an important role in the social sciences The behavior of people has become a vital area of focus in the social sciences as well *Interdisciplinary Behavior and Social Sciences* contains papers that were originally presented at the 3rd International Congress on Interdisciplinary Behavior and Social Science 2014 ICIBSoS 2014 **Research Handbook on Insider Trading** Stephen M. Bainbridge,2013-01-01 In most capital markets insider trading is the most common violation of securities law It is also the most well known inspiring countless movie plots and attracting scholars with a broad range of backgrounds and interests from pure legal doctrine to empirical analysis to complex economic theory This volume brings together original cutting edge research in these and other areas written by leading experts in insider trading law and economics The Handbook begins with a section devoted to legal issues surrounding the US s ban on insider trading which is one of the oldest and most energetically enforced in the world Using this section as a foundation contributors go on to discuss several specific court cases as well as important developments in empirical research on the subject The Handbook concludes with a section devoted to international perspectives providing insight into insider trading laws in China Japan Australia New Zealand the United Kingdom and the European Union This timely and comprehensive volume will appeal to students and professors of law and economics as well as scholars researchers and practitioners with an interest in insider trading Financial Management Timothy J. Gallagher,2022-03-13 Those who advocate the traditional maximize shareholder value goal of the firm will find that position clearly presented in the 9th edition in addition to critical arguments for and against it Those who advocate a multiple stakeholder approach will see that view fairly presented as well in addition to the criticisms of this approach The financial effect of the world wide COVID pandemic is examined in this 9th edition Both shareholder capitalism and stakeholder capitalism are critically evaluated Should a company s impact on climate change be considered when corporate decisions are made If so is this a matter of self interest a desire to also consider the interests of stakeholders who are not shareholders of the firm or both The 9th edition addresses these questions There are special forms of business organization that have an explicit social welfare purpose We covered the state chartered benefit corporation and B Lab certified corporation in 8e In 9e the low profit limited liability company L3C has been added Business schools everywhere are emphasizing in their marketing communications their contributions to society Perhaps your business school has communicated about sustainable business

practices and the triple bottom line of profit people and planet Finance is a discipline that has not been a significant part of these conversations It is our view that finance needs to take part but in a way that is true to our discipline Ignoring these issues as most books in this market do is not the answer Understanding Financial Management H. Kent Baker, Gary Powell, 2009-02-09 Designed for those who want to gain an understanding of the fundamental concepts and techniques used in financial management An underlying premise of the book is that the objective of the firm is to maximize value or wealth Drawing on a wealth of experience in the academic and professional worlds the authors discuss how firms can accomplish this objective by making appropriate investment and financing decisions Bridging the gap between financial theory and practice the authors present fundamental concepts in an intuitive and nontechnical way and provide numerous practical financial tips to readers The focus is on current practice using results from recent surveys to show the most popular techniques and approaches used by financial managers today A range of instructor s resources are available at the accompanying website Visit www.blackwellpublishing.com/baker for full details *Proceedings of the 2nd UPY International Conference on Education and Social Science (UPINCESS 2023)* Ari Kusuma Wardana, 2023-12-31 This is an open access book Technology has had a huge impact on education and social dynamics around the world Since the introduction of information and communication technologies ICTs such as the internet smartphones and social media much has changed in the way we learn and interact with others In education technology has enabled students and teachers to access more diverse and engaging educational resources With internet access students and teachers can access educational resources from all over the world and learn about various topics and disciplines In addition technology also enables distance learning which allows students and teachers to connect from different locations However there are also negative impacts of using technology in education For example excessive use of social media and the internet can cause concentration disorders and addiction in students In addition too much reliance on technology can also reduce students ability to think critically and solve problems independently In social dynamics technology has allowed us to connect with people from all over the world and paved the way for greater collaboration and cultural exchange However technology has also brought negative impacts on social dynamics such as the spread of fake news or hoaxes cyberbullying and social media addiction In this regard technology can be a very useful tool if used wisely and with proper understanding of its impact Therefore to support this Universitas PGRI Yogyakarta was hold an international conference and Call for Papers The 2nd UPY International Conference on Education and Social Science UPINCESS The Impact of Technology on Education and Social Dynamics on September 27 2023 The conference aims to discuss in depth about the impact of technology on education and social dynamics as well as finding appropriate solutions and strategies to minimize its negative impact and maximize its benefits Experts researchers and practitioners in the field of education and technology from around the world can share their knowledge and experience in this conference and can encourage collaboration and innovation in this field **SU-AFBE 2018** Andriati Fitriiningrum, Busro
