British Historians:

British Historians and National Identity Anthony Leon Brundage, 2015-10-06 Two eminent scholars of historiography examine the concept of national identity through the key multi volume histories of the last two hundred years Starting with Hume s History of England 1754 62 they explore the work of British historians whose work had a popular readership and an influence on succeeding generations of British children *The Historians' History of the World: The British colonies, The United States (early colonial period)* Henry Smith Williams, 1904 **History, Historians, and Conservatism in Britain and America** Reba Soffer, 2009 Reba Soffer examines the subjects motives and origins of conservative historians who were also successful public intellectuals Providing a comprehensive account of the content context and consequences of conservative ideas Soffer explains their dominance in Britain and marginalization in America until the Reagan ascendancy

The Historians' History of the World Henry Smith Williams, 1907 **Modern Historians on British History 1485-1945 (Routledge Revivals)** G.R. Elton, 2009-12-10 The twenty five year period following the Second World War saw an enormous expansion of activity in the writing of the history of modern Britain and with that expansion a major transformation of the state of knowledge in many parts of the area First published in 1970 this Revivals reissue which includes an extensive coverage of books and a reasonable selection of articles endeavours both to survey the work done and to reduce it to some comprehensible order It indicates achievements and probable lines of development and collects the materials that have grown around the main controversies Omitted are local history in the main and the history of empire and commonwealth except where the latter really arises out of the affairs of the mother country There are special sections on social history the history of ideas Scotland and Ireland *The Historians' History of the World: The United States (concluded), Spanish America* Henry Smith Williams, 1904 *The Historians' History of the World: Spain and Portugal* Henry Smith Williams, 1904 **A Critical Dictionary of English Literature and British and American Authors, Living and Deceased, from the Earliest Accounts to the Latter Half of the Nineteenth Century** Samuel Austin Allibone, 1871

A History of England and the British Empire ...: 1689-1802 Arthur Donald Innes, 1914 *Thinking with Dogs in Roman Britain* Robin Fleming, 2026-02-25 *Thinking with Dogs in Roman Britain* Lived Experience Inequality and Ritual in a Roman Province argues that in Roman Britain where little written evidence survives some aspects of the past are more visible when we look not at people but instead focus on the dogs nipping at their heels By examining the evidence of more than 1 700 Roman period dogs preserved in structured deposits that Fleming suggests are the remnants of ritual acts she provides a history of the relationships between canines and people living in a provincial context The book begins by investigating the lives of real dogs in Britain under Rome some of which were pampered working or personal animals but many of which had hard lives and had to fend for themselves It then explores how the period s authors used both pampered dogs and strays as metaphors shedding light on issues of hierarchy inequality and enslavement Finally it then turns to the

widespread use of dogs as a material of religion investigating their role as sacrificial animals and ritual agents first in temple and shrine rituals and then in everyday household religion Fleming concludes by asking what dogs did for ritual and what they can tell us about the making of Roman provincial culture
