At Pentecost:

A Once-and-coming Spirit at Pentecost Raymond Edward Brown, 1994 Father Brown completes his look at the great seasons of the liturgical year making the rich insights of modern biblical exegesis conveniently available to all with this volume for the season from Easter to Pentecost During this season the Church reads consecutively from the Acts of the Apostles recounting the external life of the Church after Pentecost The accompanying readings from the Gospel according to John portray the internal life of Christian disciples and promise a coming Paraclete to be sent by the Father Father Brown's title *A Once and Coming Spirit* signifies these two great biblical sources that he reflects on He shows how these readings speak to our time as we live out the external history of a visible Church while internally drawing life from Jesus as branches on the vine His comments offer an opportunity to appreciate the intent of the season after Easter and to prepare ourselves for the intensified gift of the spirit at Pentecost *Conversations* St. Nikolai of Serbia (Velimirovic), Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice <https://vidjambov.blogspot.com/2023/01/book-inventory-vladimir-djambov-talmach.html> by St Nikolai of Serbia Velimirovic The victory of Christ is the only victory by which all human beings can rejoice from the primordial to the last Every other victory on earth has divided people When one king of the earth triumphs over another king one of them rejoices and the other mourns When a person defeats his neighbor then under one roof a song and under the other crying But there is no triumphant joy on earth that is not poisoned by gloating the ordinary earthly winner rejoices as much as his laughter so much and the tears of the defeated enemy He himself does not notice how anger half dilutes his joy **Publications of the Surtees Society**, 1878 List of publications v 1 132 in v 132 *Kingdom Theology* G. Carlton Moore, 2024-06-18 What this book argues for in today's twenty first century church was a hallmark doctrine of old school Presbyterianism of the nineteenth century the doctrine of the spirituality of the church Which eschatological approach one uses will affect one's understanding of the nature and practice of missions Mission creep the expansion of the church's original objective's is a real concern for the contemporary church and how one understands eschatology affects one's focus on missions The mission of the church is narrow Matt 28 18 20 and the calling of individual believers is broad Rom 12 1 2 If we fail to make this crucial distinction the church's mission will lose its biblical emphasis And if the church's mission is lost then the authority structure instantiated in the offices and officers of the church devolves into illegitimacy because the church is no longer advancing the kingdom ends she was mandated to do by King Jesus If the institutional church fails to do this we will be relinquishing and abdicating and abandoning our most singular and particular and peculiar kingdom of God vocation the harvesting gathering and perfecting of the saints *How to Study the Bible* Isaac Massey Haldeman, 1904 [Selections from the Household Books of the Lord William Howard of Naworth Castle](#) Lord William Howard, 1878 List of publications v 1 132 in v 132 *Willmington's Guide to the Bible* H.
