Remedies of Domestic Vastu Tilak Raj, Remedies of Domestic Vastu contains easy and practical remedies for the rectification of vastu related faults Vastu Shastra has got a scientific and spiritual base You must have faith in Vastu if you have faith in Vedas and the God The members of a family will live happily if the five elements are kept well into consideration while the building of the family is under construction just as the said Mahabhootas have been used in our physical constitution The five elements are earth water fire air and ether Our universe is also made of these five elements Therefore it is said Yatha Pind Tatha Brahmande The God has rendered these five elements among which B stands for Bhoomi Earth G for Gagan Ether A for Agni Fire and N for Neer Water The God is also represented by Aum om In Aum om also A stands for Agni fire U for Jal Water M for Vayu air crescent half moon for Bhoom earth and dot over crescent for Akash void Likewise the word Vastu has all these five elements in it in which V stands for Vayu air A for Agni fire S for Srishti i e Bhoomi earth T for Tat i e Akash ether and U for Jal water The soul transfuses with mind wisdom and egotism in the body after it is formed with the combination of the said five elements All the five elements are represented by five planets in the following manner Earth is represented by Mars water by Venus fire by Sun air by Saturn and ether is represented by Jupiter Mind is governed by Moon wisdom by Mercury and egotism by Rahu Ketu is the Karak of Moksha the salvation Any irregularity in the balance of these elements makes the members of the family suffer Very often it is asked as to why the Vastu Shastra has got momentum only recently Can the Vastu faults be overcome by remedies In this regard author says that the agonies of the man have been aggravating since he has started dwelling in multistoreyed flats as they are built like boxes where Brahmasthan is not kept open The sun and air are not allowed in the house Some people keep their windows close to protect themselves whereas some do it to save their household goods from dirt Earlier a courtyard kept open in the middle of the houses so that sun air and celestial elements might reach the rooms There is nothing wrong if a man seeks advice from Vastu consultant to ward off the faults existing in house like an ailing person sees a doctor to have his advice A Vastu consultant advises renovation of a building only when it is essential and there is no way out He is like a good doctor who advises a patient to go for a surgery when the disease with which the latter is suffering from cannot be cured by medicines or by any other means Vastu faults can also be removed without any renovation by changing the place of the goods in the house and by selecting right direction for meal and slumber They can be removed by worship of gods and deities Fengshui Pyramid Yantra Mantra can also be chosen as helping hands in attaining happiness and prosperity In this book apart from a brief description of Vastu different methods of remedies have been incorporated
