Reference Department, 1964 The German Opera Libretto Since 1945 Karen Renée Bansbach, 1975 The Viking Opera Guide Amanda Holden, Nicholas Kenyon, Stephen Walsh, 1993 The book which was published early this year and is available unbundled from the CD ROM for 69 95 contains information on more than 800 composers and examines some 1 500 operas in detail Each composer s musical career is outlined with an assessment of his or her overall contribution to opera Opera entries include cast lists and orchestral forces a commentary on the background of the work a synopsis of the plot and a musical analysis identifying musical highlights and points of interest Recording and edition information is included For those who don t like to turn pages prefer to read from the screen or just like the click click of the mouse the CD ROM provides computer access via Windows to the information and pictures small black and whites of the book The CD ROM holds some enhancements notably three hours of music excerpts unheard by this reviewer who lacks the needed 16 bit sound card some according to the press release are as long as three to five minutes Annotation copyright by Book News Inc Portland OR

The New Penguin Opera Guide Amanda Holden, 2001 Provides biographical sketches for nearly 850 composers along with

articles on approximately 2 000 works **Bibliographic Guide to Music** New York Public Library. Music Division,1987

Opera András Batta,Sigrid Neef,2000 Work by work guide to 338 operas by 124 composers Includes a short biography of each composer and many photographs of staged opera performances and performers **Operas in German** Margaret R. Griffel,Adrienne Fried Block,1990-11-30 Griffel has prepared a valuable guide to German opera that can be used profitably by both scholars and amateur devotees of opera The main body of the dictionary provides a discussion of about 380 operas composed to a German text The alphabetically organized entries include information on German premieres as well as first performances in Britain and the US brief plot summaries listings of major roles and occasional historical and analytical remarks Operas in German will no doubt serve as one of the major reference sources for any type of research on German opera Highly recommended Choice Although a sizable number of opera dictionaries and encyclopedias are available those devoted to operas in a single language are extremely rare The present dictionary addresses itself wholly to operas written to a German text The main body of this dictionary comprises entries on the operas themselves permitting thorough treatment of some 350 operas This section is augmented by an appendix of some 800 additional opera titles and annotated listings of composers and librettists Almost all of the composers represented here were born in German speaking countries Among the notable exceptions is the Italian born Ferruccio Busoni whose operas were all written to German texts and received premieres in German speaking cities Composers such as Kurt Weill who wrote operas in more than one language are represented by their German works only The operas are listed alphabetically excluding the article which is placed at the end of the title Each entry includes the title with the English translation and alternate titles in parentheses descriptive terms as needed the number of acts the composer s name the librettist s name the original language and the original source of the text the date place and cast of the first performance similar information for the first United States and United Kingdom performances if applicable a brief plot summary the main characters with vocal ranges citations of especially important or noteworthy numbers additional information such as comments on special musical problems techniques or other significant aspects and other settings of the text including non German ones and or operas involving the same story or characters The entry also has a bibliography a discography and in the few instances where they are available information on video recordings In addition to the aforementioned appendix this dictionary contains an alphabetical listing of composers with their places and years of birth and death and an index of their operas included in this volume The third appendix lists librettists and provides information similar to that in the composer appendix The fourth and fifth appendices provide characters and performers respectively included in the main entries The volume is completed by a bibliography This first dictionary devoted exclusively to operas in German belongs in the reference section of music libraries and will also be of interest to scholars and aficionados of opera *Cum Notis Variorum* ,1986 **Opera** ,1954 **Opera** George Henry Hubert Lascelles Earl of Harewood,1954 *Annotations* Indiana University, Bloomington.
