

The Atheist's Prayer

Our brains, which are in our heads, treasured be they name.

Thy reasoning come.

Thy best you can do be done on earth as it is.

Give us this day new insight to help resolve conflicts and ease pain.

And lead us not into supernatural explanations; deliver us
from the denial of logic.

For thine is the kingdom of reason, and even though
thy prayers are limited, and you're not always glorious,
you are the best evolutionary adaptation we have
for helping this earth now and forever and ever.

So be it.
