## **Command Missions:**

**Dogface Soldier** Wilson A. Heefner,2010-05-05 On July 11 1943 General Lucian Truscott received the Army s second highest decoration the Distinguished Service Cross for valor in action in Sicily During his career he also received the Army Distinguished Service Medal with Oak Leaf Cluster the Navy Distinguished Service Medal the Legion of Merit and the Purple Heart Truscott was one of the most significant of all U S Army generals in World War II pioneering new combat training methods including the famous Truscott Trot and excelling as a combat commander turning the Third Infantry Division into one of the finest divisions in the U S Army He was instrumental in winning many of the most important battles of the war participating in the invasions of North Africa Sicily Anzio and southern France Truscott was not only respected by his peers and dogfaces common soldiers alike but also ranked by President Eisenhower as second only to Patton whose command he took over on October 8 1945 and led until April 1946 Yet no definitive history of his life has been compiled Wilson Heefner corrects that with the first authoritative biography of this distinguished American military leader Heefner has undertaken impressive research in primary sources as well as interviews with family members and former associates to shed new light on this overlooked hero He presents Truscott as a soldier who was shaped by his upbringing civilian and military education family life friendships and evolving experiences as a commander both in and out of combat Heefner s brisk narrative explores Truscott s career through his three decades in the Army and defines his roles in key operations It also examines Truscott s postwar role as military governor of Bavaria particularly in improving living conditions for Jewish displaced persons removing Nazis from civil government and assisting in the trials of German war criminals And it offers the first comprehensive examination of his subsequent career in the Central Intelligence Agency where he served as senior CIA representative in West Germany during the early days of the Cold War and later as CIA Director Allen Dulles s deputy director for coordination in Washington Dogface Soldier is a portrait of a man who earned a reputation for being honest forthright fearless and aggressive both as a military officer and in his personal life a man who at the dedication ceremony for the Anzio Nettuno American cemetery in 1945 turned away from the crowd and to the thousands of crosses stretching before him to address those buried there Heefner has written a definitive biography of a great soldier and patriot

### **The Last Cavalryman**

Harvey Ferguson,2015-03-16 Truscott was one of the really tough generals soldier cartoonist Bill Mauldin of the 45th Infantry Division once wrote He could have eaten a ham like Patton for breakfast any morning and picked his teeth with the man s pearl handled pistols Not one merely to act the part of commander Mauldin remembered Truscott spent half his time at the front the real front with nobody in attendance but a nervous Jeep driver and a worried aide In this biography of Lucian K Truscott Jr author Harvey Ferguson tells the story of how Truscott despite his hardscrabble beginnings patchy education and questionable luck not only made the rank of army lieutenant general earning a reputation as one of World War II s most effective officers along the way but was also given an honorary promotion to four star general seven years after his

retirement For all his accomplishments and celebrated heroic action Truscott was not one for self aggrandizement which may explain in part why historians have neglected him until now The Last Cavalryman drawing on personal papers only recently made available gives the first full picture of this singular man s extraordinary life and career Ferguson describes Truscott s near accidental entry into the U S Cavalry propelled by Pancho Villa s 1916 raids and his somewhat halting rise through the ranks aided by fellow cavalryman George S Patton Jr who steered him into the nascent armored force at the right time The author takes us through Truscott s service in the Second World War from creating the U S Army Rangers to engineering the breakout from Anzio and leading the masterpiece invasion of southern France Ferguson finishes his narrative by detailing the general s postwar work with the CIA where he acted as President Dwight Eisenhower s eyes and ears within the agency A compelling story in itself this biography of Lucian K Truscott Jr a cavalryman to the last fills out an important chapter in American military history
