## **Amg Concise Introduction To The Bible:**

**The AMG Concise Introduction to the Bible** Howard Vos,2004 Most people are vitally interested in answers to the big questions of life Where did we come from Why are we here What makes us tick or what is the nature of humankind How did we get in the predicament we are in What is our future We avidly read all kinds of literature on human beginnings human psychological makeup the present state of human affairs and human destiny We consider any literature that deals with these questions relevant and timely Preeminent among all literature about the big questions of life is the Holy Bible Not only does it report human opinions but also it gives divine insights into all the issues of life Thus it gives perspectives and answers available nowhere else Viewed from this standpoint the Bible is not some book out of the musty past that has only antiquarian interests for a few with a nostalgic bent but it has a vital contemporary relevance Dr Vos brings the Bible to life not only as he recounts the events of biblical history but also as he makes it relevant for the readers of the twenty first century Book jacket

scholarship but the reader does not have to be a Biblical scholar to understand it It retains its credibility as a reliable reference work yet presents the material in an easy to read and non technical style It is simple but not simplistic It seeks to be true to the Biblical material while at the same time being helpful to the reader Book jacket

**How to be Wiser than King Solomon** Stanford Erickson,2012-05-01 How To Be Wiser Than Solomon is a biography of King Solomon It teaches you to be wiser than Solomon It also questions the wisdom of some modern scholars of archeology and Biblical scholars of the Old Testament both learned Jewish scholars and learned Christian scholars These scholars most of whom contend that Solomon did not write Ecclesiastes believe that the stories of David and Solomon in the Old Testament might have been a hoax by Levitical priests to maintain control over the Jewish people How To Be Wiser Than Solomon explains that Ecclesiastes represents Solomon s wisdom under the sun My own poem Ecclesiastes A Modern Sequel describes how to be wiser above the sun Finally this book gives a unique insight into Solomon s classic Song of Solomon Scholars find the poem confusing Once you understand that Solomon abandoned his true love Abishag to marry Pharaoh s daughter the poem on its simplest level is an account of Solomon s remorse for forsaking Abishag

**Highway to Holiness** Catherine (Cathee) Miles,2025-07-22 Holiness sometimes seems like an abstract ideal that is unattainable for believers We tend to equate doing good with being holy or seeking to eliminate things in our lives that appear unholy The beautiful aspect of God s call to holy living is that God provides the Holy Spirit the enabling conduit to the everyday practice in holy living Through this devotional Cathee helps believers understand the idea of holiness as well as theological concepts surrounding holy living such as the Trinity the

Church and discipleship She encourages and challenges readers with stories of hope redemption healing forgiveness suffering and the way of the crucified life which lead to a life of wholeness and holiness in and through Jesus Christ Each day offers a reflection and contemplation of Scripture a prayer and questions of self examination The Highway to Holiness is intentional and instructional for holy living

**The Trouble with the Trinity** Carlos A. Pinkham, 2019-07-26 One God or one with several forms Or maybe two three or perhaps many separate Gods If you seriously study all the Christian religions you will find that each of these possibilities is claimed That is one trouble with the Trinity there are just too many possibilities Which if any is right Which view does the Bible support And if it supports one view how strongly and in exactly what way The Trouble with the Trinity attempts to study every verse in God's Word that links a name for one or more members of the Godhead with a nearby word or concept for God Nearly a thousand verses meet this condition Collating them into logical categories reveals the eight and only eight possible ways and combinations that could help us understand that the Father Son and Holy Spirit is Three in One Moreover when the verses in each of these eight ways are further organized they provide deep insights into the nature of God And when the eight ways are woven together they reveal a startling symbol with relevance to Judaism Christianity Islam geometry and our neural network Furthermore these insights are reinforced through the symbolism of the colors used in the tabernacle when these colors are properly applied to the eight parts of the symbol The book incorporates mathematics and science especially the biological sciences written with plain language into the discussions of the Trinity Some of the proposed connections have never been posited elsewhere It also considers other symbols and icons of the Trinity for their ability to reflect aspects of the Triune Godhead The Trouble with the Trinity is not written for the theologian although it includes a section that presents a theological discussion of the Trinity Rather it is written for those who are curious about or confused by the Trinity For more information and to view Images About the book Appendixes and more as well as contact information please go to <https://www.thetwtt.com> You can also visit the author's Facebook page [https://www.facebook.com/TTWTTrinity/view\\_public\\_for/100820838002256](https://www.facebook.com/TTWTTrinity/view_public_for/100820838002256)
