belly I would think twice if I were you she said Her eyes held a steely glint He paused dropped his arm and stepped away The abbess stepped back allowing more space between them She retracted the blade I will ask you again warrior what did you want with Miriam She had something that belonged to my liege All of Miriam s earthly possessions were distributed among the poor There was nothing of value What I seek is not material possession but something more and I will find it with or without your help He stepped forward again in a threatening manner but paused when he heard a quiet voice speak into the dimly lit cloister Abbess Murdina is everything well a woman asked She stood a few feet away her black hair was braided and she wore a plain brown tunic Her feet were bare In her right hand she casually leaned against a wooden quarterstaff Anyone with a keen eye would notice she gripped it firmly and she was not using it as a crutch The abbess exchanged a furtive glance then replied All is well Naomi Our guest was just leaving The warrior briefly glanced at the newcomer He noted she was a foreigner by her accent and complexion He dismissed her and returned his gaze to the abbess You think you can be rid of me that easily he asked rhetorically I ken you are hiding something within these walls and I will find it even if I have to burn this abbey to the ground He grabbed the abbess by her arms preparing to push her out of his way But his action was interrupted when a wooden staff struck him hard on the side of the head He released the abbess and turned towards the one called Naomi His expression was one of confusion because the woman had not moved from her position and she still leaned against the staff with an innocent expression on her face Not one to be fooled he drew his sword only to find it flung out of his hands as Naomi rotated her staff with such speed and lashed out at his sword hand with a loud thwacking sound Argh he snarled and gripped his injured hand Before he could defend himself Naomi took four steps rotated the staff again and struck him on the other side of the face Bitch he yelled Stunned by the surprise attack The warrior realized then he had made a grave error dismissing the foreigner so quickly With his attention on her weapon he failed to notice Naomi s foot moving towards his groin until it was too late He stumbled to the floor in pain from the hard kick to his nether regions When he raised his head to glare at her all he saw was the quarterstaff aiming for his right temple Cease the abbess shouted But it was too late Naomi gripped the staff with both hands and side swiped the warrior s temple It knocked him out cold By the saints child I told you I was all right the abbess scolded in frustration as she moved forward and crouched down to check on the warrior He was going to hurt you Naomi said while she was standing over the body feet spaced apart clutching her quarterstaff at a horizontal angle Saints preserve us Do you have so little faith in my abilities Now he will be even more determined you reckless gal The abbess ranted while checking his pulse Sorry Abbess Murdina I thought you were in danger Naomi replied with a contrite expression The only thing I m in danger of is spending eternity in hell for teaching you to wield that thing Satisfied that the warrior still had a steady pulse the abbess huffed stood and snatched the staff out of Naomi s hand She propped it up against the wall and said You need to learn restraint Violence is a last resort Think before you act lass It will not happen again Naomi replied The abbess sighed and said Lord kens you will bring the wrath of the bishop upon us now

Come on then help me move him Naomi reluctantly lifted the warrior's legs while the abbess lifted his upper body as they shuffled under his dead weight Once they had placed him at the narthex the abbess arranged for two laymen to move him out of the gates Their task completed the abbess locked the gates and barred the doors The two women then moved to the cloister Naomi asked Abbess Murdina what was he searching for Not what who she replied Who was he searching for Naomi asked Miriam Naomi gasped What did you tell him The same thing I tell anyone who seeks her Then we must warn her Naomi whispered The abbess shook her head and said No we cannot lead them to her in any way They are watching us and more will come But what about the ch Hush lass Dinnae speak of it here The walls have ears the abbess hissed as her eyes glanced about the inner courtyard Naomi remained silent then said Send me I am fast I can cover my tracks The abbess shook her head and whispered I require you here Miriam kens the danger and we have trained her well We protect them all by staying the course Naomi nodded Aye Abbess She retrieved her staff As Naomi followed the abbess down the dimly lit cloister she sent up a silent prayer that the enemy never discovered the truth about Miriam Ferguson Present Day Henderson Keep Glencoe Scotland Tyra walked out the door of the busy hall leaving the festivities and abrupt noise behind her She felt nauseated after the news she received from Sorcha Lachlan was set to wed Why did he not mention anything before Tyra strode down the dimly lit passageway heading for the side entrance out of the Keep She was practically gasping for air at the prospect that the man she had fallen in love with was soon to be married to someone else For weeks Tyra had hoped Lachlan would warm towards her Forgive her for the betrayal but he remained cold and aloof Now she realized why He was courting someone else and the thought pierced her heart with sadness Now to make matters worse Sorcha wanted Tyra to assist with the wedding feast It was akin to pouring salt on a festering wound Tyra muttered to herself Why the bloody hell does he need my help The thought that she would have to witness Lachlan marry someone else love someone else was too much to bear You're a damned fool she said to no one As if he would have had any real interest in you Who are you talking to Lachlan asked out of nowhere Tyra jumped in fright and almost came out of her skin She paused with a hand on her chest to calm her racing heart Sorry I didn't mean to startle you Lachlan said as he watched Tyra try to compose herself Wha what are you doing here You scared the life out of me she stammered as he hovered close by Lachlan moved even closer until he was towering over her She strained her neck to peer up at him I wanted to find out what you're doing out here in the dark he replied Tyra tried not to stare too hard at his masculine jawline or the way his Adam's apple moved when he spoke I I was heading to my cottage Alone he asked Aye Tyra replied You're not sneaking off to tryst with that warrior I saw you with earlier tonight What warrior The one who was spinning you about with his hands all over you like a rash Lachlan growled Tyra stepped back only to be backed against the wall Lachlan moved forward crowding her space I dinnae ken what you speak of Lachlan Gair now if you would please move I can be on my way She tried to move around him Lachlan stared at Tyra for some time but refused to move The hallway was dimly lit but there was enough light illuminating her features His gaze

landed on her lips her full succulent lips and he was mesmerized by them He had stolen kisses from Tyra before In another time and place when he thought she had genuine feelings for him Standing this close to her again Lachlan thought of only one thing as all sense left his brain Lachie Tyra whispered in confusion The dimples in her cheeks became prominent as she spoke Damn you Lachlan growled and pulled her into his arms Tyra gasped as his lips claimed hers She could not think straight and it was not long before she had her arms loosely wound about his shoulders as Lachlan deepened the kiss All thought scattered to the four winds Lachlan pulled away first breathing heavily as if trying to reason with himself Do you enjoy my kisses Or are you pretending he asked but did not give her a chance to answer as his mouth sought hers once more Tyra pushed him back She shook her head and said We cannot do this Not when you re promised to another Lachlan frowned What do you mean Dinnae trifle with me Lachlan You ken what I mean You act like the injured party Meanwhile you have a betrothed you never mentioned Tyra pushed him aside and tried to pass He pulled her back and asked Who told you that So you admit it she accused I admit nothing he replied exasperated Dinnae play games with me Lachlan Gair Tyra was becoming increasingly agitated So is this what you do Flash your pretty dimples and toy with men My dimples What has that got to do with anything You are a liar Tyra Henderson and I will not be led by the nose Lachlan glowered at her Tyra felt as if he had struck her with his open palm She flinched and stepped back I m the liar now When you re the one who has misrepresented yourself They were both glaring at each other in silence when someone cleared their throat nearby Lachlan immediately released Tyra as if she was a bag of hot coals He turned to see Kieran standing a few feet away Lach sorry to bother you but Bram wants a word Kieran said Aye I ll be there directly Lachlan replied then returned his gaze to Tyra and said Dinnae walk at night alone I cannot stop you from sneaking about with other men but you will remain safe I dinnae sneak about with men she hissed in protest I dinnae care what you do Lachlan bit out in return He stepped away from her in a dismissive manner As he walked past Kieran he said See Tyra home Aye Kieran replied Lachlan proceeded down the hall without a second glance What a turd Tyra muttered under her breath Frantically trying to smooth her hair Kieran just chuckled An angry turd by the look of it Does he always behave like an ogre she asked Kieran Only where you re concerned lass he replied C mon I best get you home before the turd returns As they began walking Tyra asked What did Bram want with Lachlan Something about a woman What woman Tyra asked I didnae ask Kieran shrugged his shoulders Tyra wanted to return to the hall and find out who this woman was But she mentally shook her head No she was not going to do that It was most likely Lachlan s bride to be She was fuming that he would kiss her when he was betrothed to be married Men were such fickle creatures she thought In the Light of Day Lachlan opened his eyes the following morning and immediately regretted it The light streamed through the small window slit in his room and it was enough to burn a hole in his retina He squinted then shut them again and brought a hand to his forehead to block out the glare His head pounded he felt parched and he was partly mind fogged He could barely recollect the previous evening s activities as he peered at the rafters above Lachlan groaned and sat up

slowly The room spun with a sudden rush of blood to the head He gripped the bedding flung his legs over the side and just sat and contemplated the sorry state of his life His prominent thought was that he really needed to stop drinking because he was getting too old for it Lachlan felt a stinging pain in his chest He instinctively rubbed it It was not physical pain more like the familiar empty feeling he experienced whenever he nursed a broken heart He closed his eyes and his mind conjured up images of a dimpled smile sandy hair and hazel colored eyes Tyra Henderson that s who he thought about first thing in the morning and the last thing at night He partially smiled as he recalled how soft her lips were the night before when he had followed her out of the hall She was a beauty a gentle soul with a hard edge but it was her scent of honeysuckle he loved the most Lachlan felt the cavity in his chest fill slightly with warmth then dissipate when he recalled the harsh words and his callous actions that caused her stricken expression He could be a bastard when he wanted to but betrayal was a bitter pill to swallow and he had his fair share Tyra had pretended to like him and distracted him so Bram Henderson could kidnap Sorcha MacGregor while Lachlan was meant to be guarding her He cringed at the memory of his failure Even though it all ended well and Bram eventually married Sorcha Lachlan could no longer trust his judgment when it came to the opposite sex He grumbled to himself Lachlan saw the pitcher on the mantle and decided it was time to get out of bed wash and stop these maudlin thoughts He was about to rise when he felt the bed shift slightly Lachlan s spine tingled and his back went rigid He whipped his head to the side and he sucked in a breath A shapely bared thigh rested there He looked at the body attached to the shapely thigh and practically jumped off the bed He paled What the bloody hell Lachlan immediately stepped back trying to put as much distance between him and the semi dressed woman currently asleep on her stomach in his bed Her tresses had come loose as waves of abundant curls danced across her back He looked down at his body His treads were still intact although riding low on his hips Events from the night before were murky at best He remembered meeting Bram about some woman and then Iain and Niall poured him a drink or a hundred He could not remember because the rest was a blur One thing was for certain he had imbibed more than was healthy Either way Lachlan realized this turn of events was not good and she needed to leave Shite He cursed to himself Not only would Beiste MacGregor beat him to a pulp but Ruadh MacDonald would also belt him within an inch of his life if she was discovered in Lachlan s bed In his panic Lachlan thought of Tyra For some inextricable reason he wondered what she would think of him He inched closer towards the bed and gently nudged the woman to wake her She grumbled and turned her head the other way Lass You cannot be caught in here Wake up he urged He kept on nudging her shoulder with his hand until finally she huffed and sat up All right I am awake No need to be annoying I m annoying What are you doing in my bed Lachlan scowled Well what does it bloody well look like she replied Did we Did we couple yestereve Lachlan paled and held his breath waiting for her response Surely he would remember something like that How much had he imbibed He wondered How can you not remember the best night of your life she asked and gave him an insulted look I am offended you dinnae recollect how I brought you to the heights of ecstasy several times

Not to mention what you did to me She winked Lachlan felt his lungs constrict No it could not be He rubbed his chest in panic and pain If he had indeed engaged in a drunken tryst he would have to marry her A million thoughts flew through his head the most pressing being one of sheer panic and a need to vomit The woman in question began giggling Oh the look on your face tis so amusing She laughed and clapped her hands Dinnae fash yourself I was merely trifling with you Please breathe before you pass out Lachlan stared at her with a frown as sheer relief coursed through his veins What are you playing at And why are you here Tsk you take life far too seriously We did not couple and you can wipe that grimace from your face You look as if you bedded a wilder beast She got out of bed and straightened her chemise Truth be told you were very drunk which serves you right when you take on the Hendersons in a drinking contest you are bound to lose Lachlan felt pure relief at her admission Then what the hell are you doing in my room Lachlan asked in confusion Yesenda MacDonald casually tied back her hair with a hair tie and replied I needed somewhere safe to hide and your door was unlocked I must have fallen asleep which is a miracle considering how loud you snore I dinnae snore Lachlan replied defensively Yesenda just rolled her eyes and walked towards the pitcher of water as if she owned the room Why did you hide in here Are you daft You should not avail yourself of men s living quarters Lachlan found his leine and quickly donned it while refastening his trews You sound like the abbess with all your outrage Calm yourself I will leave shortly Yesenda picked up a cloth wiped her face walked over to the side of the bed and started dressing Lachlan couldn t believe how casually she strode about the room without a care in the world Do you ken what would happen if you were found in my room You need to go now he grumbled Wheesht keep your voice down Help me fasten my kirtle Yesenda turned her back to Lachlan her hands behind her holding the ties ends for him to take the reins Go on hurry up if you want me gone Bloody hell I am not a lady s maid Lachlan scowled as he complied Yesenda chuckled and turned her head to look behind her saying Tis a pity You would make such a bonnie lady with your high cheekbones and fine eyes Lachlan just glared at her and deliberately tightened her stays Ouch Yesenda said as he fastened it too tight Well I can see you are a man who does not favor the mornings What I dinnae favor is finding a strange woman in my bed whose brother could kill me for the slight Yesenda just shrugged Once she was ready Lachlan moved to the door to check outside making sure the coast was clear He ushered her towards it Lachlan paused when a thought occurred to him Why were you in danger he asked Twas nothing I just heard something that spooked me a little My nerves are slightly frayed when I am in a strange place She brushed it off Lachlan did not quite believe her but noises from the hallway urged him to remove her from his room Very well If you are in danger again at least wake me up first so I am not startled in the morn by your unwelcome presence Yesenda smirked and replied Why how romantic you are Lachlan Gair Women must swoon at your words of adoration She raised her airisaidh over her head to conceal her identity then quit the room Lachlan could just make out her profile disappearing down one of the passageways then she was gone He closed the door and scratched his head baffled at what had just transpired and at the ease with which Yesenda carried herself as if she

had done this hiding thing many times before He made a mental note that he would keep a closer eye on her Lachlan put Yesenda out of his mind and washed with the remaining water in a barrel He focused on the day ahead As a guardsman he had much to do Fans of the following authors are known to enjoy this Scottish Historical Romance series Julie Garwood Michele Sinclair Diana Gabaldon Hannah Howell Donna Fletcher Maya Banks Kathryn Le Veque Mary Wine Terri Brisbin Joanna Fulford **Clarissa** Caroline Arnett,1976-05 **Finessing Clarissa** Marion Chesney,1991 Fourth in Regency romance stories The school for manners The challenge is to turn lovely but clumsy Clarissa into a graceful woman to win the heart of an earl Secondary Heroines in Nineteenth-Century British and American Novels Jennifer Camden,2016-04-01 Taking up works by Samuel Richardson James Fenimore Cooper Sir Walter Scott and Catharine Maria Sedgwick among others Jennifer B Camden examines the role of female characters who while embodying the qualities associated with heroines fail to achieve this status in the story These secondary heroines often the friend or sister of the primary heroine typically disappear from the action of the novel as the courtship plot progresses only to return near the conclusion of the action with renewed demands on the reader s attention Accounting for this persistent pattern Camden suggests reveals the cultural work performed by these unusual figures in the early history of the novel Because she is often a far more vivid character than the heroine of the marriage plot the secondary heroine inevitably engages the reader s interest in her plight That the narrative apparently seeks to suppress her creates tension and points to the secondary heroine as a site of contested identity who represents an ideology of womanhood and nationhood at odds with the national ideals represented by the primary heroine whom the reader is asked to embrace In showing how the anxiety produced by these ideals is displaced onto the secondary heroine Camden s study represents an important intervention into the ways in which early novels use character to further ideologies of race class sex and gender **Remember When** Mary Balogh,2025-07-29 Discover the beauty of second chances at love and life in this heartfelt new novel from New York Times bestselling author Mary Balogh The Dowager Countess of Stratton Clarissa Ware ne Greenfield has just presented her younger daughter to the ton and the rest of her life belongs only to herself She returns to Ravenswood intending to spend the summer alone there But the summer has other plans for her Born a gentleman Matthew Taylor has chosen to spend his life as the village carpenter Growing up he and Clarissa were close dangerously so considering his family s modest fortune As a young man he never would have been a suitable match for the daughter of the wealthy Greenfields Clarissa married Caleb Ware the Earl of Stratton so Matthew married another though he was widowed soon after Now everything is different Clarissa has already lived the life expected of her by society And Matthew is as attractive and intriguing as he was when they were young As their summer friendship deepens into romance they stand together on the precipice of change essentially the same man and woman they remember being back then but with renewed passion and the potential to take their lives in an entirely new direction **Finessing Clarissa** M.C.
