Classroom Issues Practice Pedagogy And Curriculum:

Classroom Issues Mal Leicester, Sohan Modgil, 2005-10-05 Volume III provides a focus on the classroom pedagogy curriculum and pupil experience It covers relatively neglected areas of curriculum development such as mathematics and technology as well as the more familiar terrain of literature and drama A particularly useful section deals with aesthetic education Education, Culture and Values: Classroom issues: practice, pedagogy and curriculum Mal Leicester, Celia Modgil, Sohan Modgil, 1999 **Education, Culture and Values** Mal Leicester, Celia Modgil, Sohan Modgil, 2000 *Systems of Education* Sohan Modgil, Mal Leicester, 2005-07-28 Volume 1 is concerned with the theoretical and conceptual framework for reflecting about values culture and education and thus provides an introduction to the series as a whole It provides state and policy level analysis across the world **Spiritual and Religious Education** Mal Leicester, Sohan Modgil, 2005-07-15 Volume V distinguishes religious and spiritual education and takes a multi faith approach to pedagogic curricular and resource issues The important area of collective worship is also addressed **Institutional Issues** Mal Leicester, Sohan Modgil, 2005-08-02 Volume II considers values and culture at the institutional level What constitutes a good whole school approach in this arena The book discusses key issues and reports on whole school initiatives around the world Several contributions focus on the vital issue of teacher education **Politics, Education and Citizenship** Mal Leicester, Sohan Modgil, 2005-08-10 Volume VI is concerned with political education and citizenship Papers from several countries lend an international perspective to currently significant concerns and developments including democracy and democratic education human rights national identity and education for citizenship Moral Education and Pluralism Mal Leicester, Sohan Modgil, 2005-08-19 Volume IV looks at the development of moral education with particular relation to the context of cultural pluralism Taking a theoretical approach it discusses philosophical issues of moral relativism as well as the application of theory to good practice *Life in Schools and Classrooms* Rupert Maclean, 2017-05-04 This book discusses key aspects of life in schools and classrooms and surveys the changes that have occurred over the years in educational research policy making and practice in these school and classroom settings It not only examines cutting edge research in these areas but also showcases good practices in the field Among the topics reviewed are recent developments in assessment methods for collecting and analysing data on classroom practice school leadership and the pros and cons of class size and small class teaching topics which are currently hotly debated in education systems around the globe As such the book objectively examines the various debates and surveys the full range of evidence available Education researchers policy makers and practitioners often hold differing views about the reasons for teacher and student behaviour in classrooms and for example its relevance to class size Many of these views are based on gut feelings rather than hard evidence Unfortunately these three groups with differing perspectives often talk past each other rather than engage in a productive mutually beneficial dialogue The book builds an effective bridge between researchers policy makers and practitioners regarding the impact of these

various aspects of classroom life so that the viewpoints of each can be carefully considered and evaluated
