

## **Double Trouble!**

**Two cheetahs, like two naughty tots,  
Were on the prowl again,  
For they enjoyed it lots and lots  
When they were raising Cain...  
With nothing safe within a mile,  
Two cheetahs outran all  
And though those scamps had cause to smile,  
Pride comes before a fall...**

**They terrorised the neighbourhood,  
Like whirlwinds oh so fast,  
As if the act itself was good  
And yet it couldn't last...  
Surrounding creatures scattered wide,  
The cheetahs stood alone,  
Their victims found some place to hide,  
From hearts as cold as stone...**

**A sudden sense of loneliness  
Was all those cheetahs knew,  
Like distant clouds God's love can't bless  
Amid the sky so blue...  
And so the cheetahs changed their ways,  
For all the world to see  
And from then on, throughout their days,  
They cherished company...**

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
