## **Double Life Poems:**

**Double Life** Daniel Tobin,2004-04-01 Daniel Tobin s stunning new collection Double Life takes its name from a vision of humanity at once passionately earthbound and spurred by the metaphysical These poems range from haunting meditations on the paintings of Hieronymous Bosch to an astonishing polyphonic sequence based on the life of Father Bartolomeo de Las Casas who died in 1566 and wrote the first bill of rights in the New World Between these two longer orchestrations appear works both musically diverse and startling in their formal virtuosity as attuned to Plato the Bible Dante Shakespeare Keats and the natural world as to TV talks shows the news physics movies and fast food restaurants From the persona of an Irish Catholic Brooklyn youth on a school trip to Spain to that of a grown man of the suburbs hollowed by doubt it s only the observance of words I keep now to stay the soul Tobin shows us the search for a way to encompass the world turning Christian motifs toward new meanings

**A Double Life** Karolina Pavlova,2019-08-06 An unsung classic of nineteenth century Russian literature Karolina Pavlova s A Double Life alternates prose and poetry to offer a wry picture of Russian aristocratic society and vivid dreams of escaping its strictures Pavlova combines rich narrative prose that details balls tea parties and horseback rides with poetic interludes that depict her protagonist s inner world and biting irony that pervades a seemingly romantic description of a young woman who has everything A Double Life tells the story of Cecily who is being trapped into marriage by her well meaning mother her best friend Olga and Olga s mother who means to clear the way for a wealthier suitor for her own daughter by marrying off Cecily first Cecily s privileged upbringing makes her oblivious to the havoc that is being wreaked around her Only in the seclusion of her bedroom is her imagination freed each day of deception is followed by a night of dreams described in soaring verse Pavlova subtly speaks against the limitations placed on women and especially women writers which translator Barbara Heldt highlights in a critical introduction Among the greatest works of literature by a Russian woman writer A Double Life is worthy of a central place in the Russian canon
