Down Out And Dangerous:

Down, Out & Under Arrest Forrest Stuart, 2016-08-02 A well supported critique of therapeutic policing and by extension of similar paternalistic efforts to help the poor by hassling them into good behavior Los Angeles Times In his first year working in Los Angeles s Skid Row Forrest Stuart was stopped on the street by police fourteen times Usually for doing little more than standing there Juliette a woman he met during that time has been stopped by police well over one hundred times arrested upward of sixty times and has given up more than a year of her life serving week long jail sentences Her most common crime Simply sitting on the sidewalk an arrestable offense in LA Why What purpose did those arrests serve for society or for Juliette How did we reach a point where we ve cut support for our poorest citizens yet are spending ever more on policing and prisons That s the complicated maddening story that Stuart tells in *Down Out Under Arrest* a close up look at the hows and whys of policing poverty in the contemporary United States What emerges from Stuart s years of fieldwork not only with Skid Row residents but with the police charged with managing them is a tragedy built on mistakes and misplaced priorities more than on heroes and villains At a time when distrust between police and the residents of disadvantaged neighborhoods has never been higher Stuart s book helps us see where we ve gone wrong and what steps we could take to begin to change the lives of our poorest citizens and ultimately our society itself for the better
