Downsizing Of Asia:

The Downsizing of Asia François Godement, 2012-12-06 Until very recently it was assumed that the Asian miracle of prodigious economic growth would continue indefinitely Europe and America it seemed were being left behind The recent financial crisis in Asia has now changed all that Fran ois Godement provides a broad ranging survey of the regions economies since 1993 and explains the main reasons behind the recent financial crisis He also examines important factors such as demography Asian values crony capitalism industrial groupings and the wane of political authority The Asian miracle has not come to an end but the author makes clear that improved self regulation and discipline within the financial sector will be crucial if the economies of the region are to weather the uncertainties of the marketplace in the future and realize their full potential

Changing Governance and Public Policy in East Asia Ka Ho Mok, Ray Forrest, 2008-11-24 The search for good governance has become an increasingly important element of public policy and public management and is high on the political agenda of East Asian countries The need for robust governance structures and institutions was brought into sharp focus by the Asian Financial Crisis which adversely affected most East Asian societies Since then they have begun to look for ways to restructure their public administration and political systems in order to develop new mechanisms and structures to promote good governance This book focuses on how selected Asian states have responded to the growing impact of liberalizing and marketizing trends in public policy formulation and public management To what extent is the state guided regime in Asia still relevant to governing public policy public management What are the policy implications for a growing number of Asian states which are pursuing more pro competition policy instruments The book is a timely and important collection that offers critical analysis of the search for new governance in Asia and compares and contrasts experiences in selected Asian societies such as China Japan Hong Kong Taiwan South Korea Singapore and other parts of South East Asia Chapters are written by leading scholars in the fields of comparative development policy and governance studies from Hong Kong Macau Taiwan China Singapore Japan and the United Kingdom

Comparative Governance Reform in Asia Clay Wescott, Bidhya Bowornwathana, 2008-08-04 Features chapters that analyze and compare the experiences of Asian countries in carrying out governance reforms This book tackles such questions as how common reform packages designed for developed countries are implemented in developing countries What happens in the reform diffusion process And what are the obstacles to reform success

State of Democracy in South Asia, 2008 This report seeks to shift the locus of discourse on democracy away from the global North to most of the world It does so by examining democratic experience in South Asia a region marked by poverty illiteracy complex diversities and multiple and overlapping structures of social hierarchy and by daring to ask not just what democracy has done to South Asia but also what South Asia has done to democracy Based on the first ever social scientific survey of political opinions and attitudes across the five countries in the region Bangladesh India Nepal Pakistan and Sri Lanka the report

offers a fresh analysis of the promise of democracy for the ordinary people its institutional slippages obstacles in its functioning and its mixed outcomes The report combines public opinion data with expert assessment case studies and dialogue with democracy activists BOOK JACKET *Business Asia* ,1999 Weekly report to managers of Asia Pacific operations **Media Asia** ,1997 **ASEAN Economic Bulletin** ,1999 **The Strategic Balance in Northeast Asia** ,2001 Fire on the Rim William H. Thornton,2002-07-23 Fire on the Rim combines an idealist s call for social justice cultural difference and environmental sustainability with a realist s recognition of the continuing need for balance of power security relations around the Pacific Rim Although this melding of idealist and realist elements is sure to meet opposition on the Right and Left alike the author s call for moral realism is a vital step toward an Asia policy fit for the twenty first century Visit our website for sample chapters The Leadership Experience in Asia Ghee Soon Lim,Richard L. Daft,2004 The Leadership Experience in Asia is the Asian adaptation of The Leadership Experience 2 e by Daft It integrates both micro and macro approaches to leadership and brings advanced concepts and practices of the leadership experience most of which originated in the West to within reach of anyone who wants to lead effectively in Asia By plugging into models of effective leadership it demonstrates how the numerous leadership concepts and international practices can be applied in Asia *The Asia Recovery* Van Hoa Tran,2001 The Asian crisis that started in July 1997 wrought untold damages on a large number of countries worldwide and brought intolerable hardships and poverty to millions of people in Asia and to a lesser extent in Russia and Latin America as well as the European Union After more than three years of widespread economic social and financial turmoil there were signs in mid 2000 that a slow but promising economic recovery was on the way in Asia This book explores in depth the major issues and important aspects of this economic recovery and its potential impact on growth development trade and investment Expert contributors also discuss the global directions in international economic and financial relations corporate and public governance and the challenges to be met and managed in the 21st century The Asian crisis and its subsequent recovery is a global experience and as such is one of the most challenging and important crises of our times The Asia Recovery is a timely and valuable contribution that will be essential for those in government business and academia to understand this crisis more fully Current Politics and Economics of Asia ,2004 **Asia in the 21st Century** Michael D.
