BIOGRAPHICAL DICTIONARY
OF
EMINENT SCOTSMEN.

ORIGINALLY EDITED BY ROBERT CHAMBERS.

REVISED THROUGHOUT AND CONTINUED BY

THE REV. THOMAS THOMSON,

EDITOR OF THE "CONTEMPORARY HISTORY OF ENGLAND," AND EDITOR OF THE "CONTEMPORARY HISTORY OF SCOTLAND," &c. &c.

WITH A SUPPLEMENT.

CONTINUING THE BIOGRAPHIES TO THE PRESENT TIME.

Illustrated by numerous authentic Portraits on Steel.

THE BIOGRAPHICAL DICTIONARY OF EMINENT SCOTSMEN, as its title imports, is intended to supply a complete series of lives of noteworthy natives of Scotland, arranged in alphabetical order. It aims at forming a comprehensive record of the achievements of those, in every walk of life, whose memories are cherished by their countrymen, and whose deeds form the history of their country; of those who, by their energy, wisdom, or bravery, their patience, industry, learning, or writings, have been influential in preserving its freedom or maintaining the rights of its people; who have been the leaders in the progress of national civilization; and whose exertions have raised their country to that proud eminence which it now occupies among the nations of Europe. Among the biographies will be found a large number of an exceedingly instructive character, calculated to form incentive examples to young and ardent minds, and numerous instances of men who have risen from humble circumstances and attained to high positions, and of those who have succeeded in the pursuit of knowledge in spite of the greatest hardships and difficulties. Though in one aspect peculiarly applicable to Scotland, this work will not fail to be of interest in all parts of the British dominions; for many of the eminent individuals whose biographies are here collected, were men of their times, as well as of their country, and by the influence of their character or their deeds gained for themselves a place in British or European as well as in Scottish history. Appended to this prospectus is a list of names selected from this Work of men known and appreciated far beyond the bounds of their native land, some of them indeed wherever the English language is spoken and wherever civilization has penetrated.

The edition of this peculiarly national Work, issued under the editorship of the late Rev. Thomas Thomson, whose name appears above, was completed in the spring of the year 1870. Short as has been the time that has since then elapsed, yet in these four years the great Resper has been so busy among our distinguished countrymen as to warrant, nay, even necessitate, the addition of a Supplement, in order to keep the Work abreast of the times. It needs only a glance at the following list of the names of some of the
