Biography Andy Kaufman:

Lost in the Funhouse Bill Zehme, 2009-11-04 From renowned journalist Bill Zehme author of the New York Times bestselling *The Way You Wear Your Hat* Frank Sinatra and the *Lost Art of Living* comes the first full fledged biography and the only complete story of the late comic genius Andy Kaufman Based on six years of research Andy's own unpublished never before seen writings and hundreds of interviews with family members friends and key players in Andy's endless charades many of whom have become icons in their own right *Lost in the Funhouse* takes us through the maze of Kaufman's mind and lets us sit deep behind his mad dazzling blue eyes to see firsthand the fanciful landscape that was his life Controversial chaotic splendidly surreal and tragically brief what a life it was Andy Kaufman was often a mystery even to his closest friends Remote aloof impossible to know his internal world was a kaleidoscope of characters fighting for time on the outside He was as much Andy Kaufman as he was Foreign Man dank you veddy much who became the lovably bashful Latka on the hit TV series *Taxi* He was as much Elvis Presley as he was the repugnant Tony Clifton a lounge singer from Vegas who hated any audience that came to see him and who seemed to hate Andy Kaufman even more He was a contradiction a paradox on every level an artist in every sense of the word During the comic boom of the seventies when the world had begun to discover the prodigious talents of Steve Martin Richard Pryor John Belushi Bill Murray and so many others Andy was simply doing what he had always done in his boyhood reveries On the debut of *Saturday Night Live* he stood nervously next to a phonograph that scratchily played the theme from *Mighty Mouse* He fussed and fidgeted waiting for his moment When it came he raised his hand and moved his mouth to the words *Here I come to save the day* In that beautiful deliverance of pantomime before the millions of people for whom he had always dreamed about performing Andy triumphed He changed the face of comedy forever by lurching across boundaries that no one knew existed He was the boy who made life his playground and never stopped playing even when the games proved too dangerous for others And in the end he would play alone just as he had when it was all only beginning In *Lost in the Funhouse* Bill Zehme sorts through a life of disinformation put forth by a master of deception to uncover the motivation behind the manipulation Magically entertaining it is a singular biography matched only by its singular subject [Andy Kaufman Revealed!](#) Bob Zmuda, Matthew Scott Hansen, 2014-05-10 Biography of comedian Andy Kaufman [Andy Kaufman](#) Bob Zmuda, Lynne Margulies, 2014-10-07 For the first time ever the two people who knew Andy Kaufman best open up about the most enigmatic artist of our generation Comedian and *Taxi* star Andy Kaufman known for his crazy antics on screen and off was the ultimate prankster delighting audiences with his Elvis and *Mighty Mouse* impressions while also antagonizing them with his wrestling and lounge lizard alter ego Tony Clifton Some say he died in 1984 while others believe he performed the ultimate vanishing act In *Andy Kaufman The Truth Finally* Bob Zmuda Andy's writer and best friend and Lynn Margulies the love of Andy's life reveal all including surprising secrets that Andy made Lynne and Bob promise never to tell until both of his parents had died Hilarious and poignant this book separates fact

from fiction and includes a candid inside look at the Milos Forman film *Man on the Moon* which Zmuda coexecutive produced and featured Jim Carrey as Andy Paul Giamatti as Zmuda Courtney Love as Margulies and Danny DeVito as Andy's manager George Shapiro Finally Bob Zmuda shares in detail the reasons he believes Andy Kaufman did in fact fake his own death including exactly how he did it and why he will return

Was This Man a Genius? Julie Hecht, 2009-06-16 Andy Kaufman defied explanation Between 1978 and 1979 acclaimed novelist and New Yorker short story writer Julie Hecht attempted to arrange an interview with him hoping to discover how he came to do what he did The one hour interview turned into innumerable surreal meetings and phone conversations with her subject but she couldn't always tell when his act was on Whether driving recklessly on icy roads or drawing the author unawares into his schemes and Dada-esque pranks on unsuspecting waiters and college students Andy Kaufman never seemed to separate himself from his stage personality or personalities **Was This Man a Genius** is the culmination of a series of bizarre frequently hilarious meetings In describing them Hecht herself a master of wit and observation illuminates the enigma of Andy Kaufman's work and life

Is This Guy For Real? Box Brown, 2018-02-06 2019 Eisner Award Winner for Best Reality Based Work Comedian and performer Andy Kaufman's resume was impressive a popular role on the beloved sitcom *Taxi* a high profile stand up career and a surprisingly successful stint in professional wrestling Although he was by all accounts a sensitive and thoughtful person he's ironically best remembered for his various contemptible personas which were so committed and so convincing that all but his closest family and friends were completely taken in Why would someone so gentle natured and sensitive build an entire career seeking the hatred of his audience What drives a performer to solicit that reaction With the same nuance and sympathy with which he approached *Andre the Giant* in his 2014 biography graphic novelist Box Brown's *Is This Guy For Real* takes on the complex and often hilarious life of Andy Kaufman

American Legends Charles River Charles River Editors, 2018-03-02 Includes pictures Includes Kaufman's quotes about his life and career Includes a bibliography for further reading There's no way to describe what I do It's just me Andy Kaufman I just want real reactions I want people to laugh from the gut be sad from the gut or get angry from the gut Andy Kaufman A lot of ink has been spilled covering the lives of history's most influential figures but how much of the forest is lost for the trees In Charles River Editors' *American Legends* series readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known Andy Kaufman never liked to call himself a comedian so it's a testament to his skills and routines that he is nonetheless considered one of the late 20th century's most famous comedians In fact Kaufman's eccentric style and theatrics made him one of the most unique performers of his era whether it was doing a song and dance routine or staying in character to the extent that nobody could tell whether he was being himself or not To this day Kaufman is probably best known for his staged wrestling storyline with Jerry The King Lawler which included one of professional wrestling's most famous bouts and true to form Kaufman subsequently went on *Late Night With David*

Letterman with a neck brace claiming he had suffered a broken neck as a result of a piledriver For his part Kaufman admitted What s real What s not That s what I do in my act test how other people deal with reality Given his abilities and propensity for practical jokes and outright hoaxes Kaufman became extremely popular during the last decade of his life boosted by countless performances on television shows and as Latka Gravas on the hit show Taxi However he was diagnosed with a rare type of lung cancer in his mid 30s and died within a few months near the peak of his popularity which helped cement his cult status among fans Fittingly many of those same fans initially assumed that reports of Kaufman s illness and death were also a hoax even those who had seen some him look gaunt and sickly during his final performances It was an odd but appropriate tribute to a performer who had always been able to blur the lines between fiction and reality and keep audiences on their toes

American Legends The Life of Andy Kaufman explores the life and career of one of America s most unique entertainers Along with pictures of important people places and events you will learn about Kaufman like never before in no time at all

Andy Kaufman Florian Keller, Taking as his starting point the 1999 biopic *Man on the Moon* Florian Keller explores Andy Kaufman s career within a broader discussion of the ideology of the American Dream grasping Kaufman s radical agenda beyond avant garde theories of transgression Presenting readings of Kaufman s most significant performances Keller shows how he mounted a critique of America s obsession with celebrity and individualism

Politics and the American Television Comedy Doyle Greene,2015-01-28 This work examines the unique and ever changing relationship between politics and comedy through an analysis of several popular American television programs Focusing on close readings of the work of Ernie Kovacs *Soupy Sales* and Andy Kaufman as well as *Green Acres* and *The Gong Show* the author provides a unique glimpse at the often subversive nature of avant garde television comedy The crisis in American television during the political unrest of the late 1960s is also studied as represented by individual analyses of *The Monkees* *The Smothers Brothers Comedy Hour* *Rowan and Martin s Laugh In* and *All in the Family* The author also focuses on more contemporary American television drawing a comparative analysis between the referential postmodernism of *The Simpsons* and the confrontational absurdity of *South Park*
