The Open Book is a radical genre blend it is an experimental co-memoir exploring the role of writing in academia It contains stories about life without censoring and without distinguishing between traditional work-life domains and academic non-academic ways of writing This is done through discussions of conferences research collaborations supervision taboo pleasures of fun writing projects the temptations of other work and the everyday life encounters and experiences that stimulate academic thought and writing Some of the main characters you will meet are researchers their colleagues and students sons and daughters mothers and grandmothers husbands past and present supervisors pets old and new friends and creatures from myths and dreams Some of the settings include kitchens fireplaces couches gardens universities cars and trains These characters and places are all there to help examine what the above elements of an ordinary human life might mean in research and for research Thus it becomes possible for you as a reader to recognize the stories as both truly human and genuinely academic This is the first book in a series of publications and projects from the Open Writing Community a collaboration of academics from different disciplines and countries that seeks to push the boundaries of how we understand and practice academic work and writing

labyrinth *Literary Biography* Michael J. Benton, 2015-05-26 *Literary Biography An Introduction* illustrates and accounts for the literary genre that merges historical facts with the conventions of narrative while revealing how the biographical context can enrich the study of canonical authors Provides up to date and comprehensive coverage of issues and controversies in life writing a rapidly growing field of study Offers a valuable biographical and historical context for the study of major classic and contemporary authors Features an interview with Wilfred Owen s biographer Dominic Hibberd a gallery of literary portraits with commentaries close readings that illustrate the differences between fiction and biography speculation about likely future developments and detailed suggestions for further reading *The Shandean*, 2002 *The Secret Life of John le Carré* Adam Sisman, 2023-10-24 The extraordinary secret life of a great novelist which his biographer could not publish while le Carré was alive Secrecy came naturally to John le Carré and there were some secrets that he fought fiercely to keep Adam Sisman s definitive biography published in 2015 provided a revealing portrait of this fascinating man yet some aspects of his subject remained hidden Nowhere was this more so than in his private life Apparently content in his marriage the novelist conducted a string of love affairs over five decades To these relationships he brought much of the tradecraft that he had learned as a spy cover stories cut outs and dead letter boxes These clandestine operations brought an element of danger to his life but they also meant deceiving those closest to him Small wonder that betrayal became a running theme in his work In trying to manage his biography the novelist engaged in a succession of skirmishes with his biographer While he could control what Sisman wrote about him in his lifetime he accepted that the truth would eventually become known Following his death in 2020 what had been withheld can now be revealed *The Secret Life of John le Carré* reveals a hitherto hidden perspective on the life and work of the spy turned author and a fascinating meditation on the complex relationship between biographer and subject Now that he is dead Sisman writes we can know him better *The Ethical Component in Experimental British Fiction Since the 1960's* Susana Onega Jaén, Jean-Michel Ganteau, 2007 Some humanist critics contend that only realist texts have an ethical function that there is no ethical message behind the parodic and self conscious games played by experimental fiction and that since emotion neutralises the ethical faculties there is no ethical dimension in such excess peddling postmodernist genres and modes as kitsch melodrama and romance Yet one may argue that the defamiliarisation imposed by parody metafictional overkill and sundry devices symptomatic of emotional paroxysm on the realist text involves some measure of criticism of received truth and makes for the practice of a non deontic ethics of truths that is also fairly often an ethics of alterity This volume examines analytical evidence for the ethical component in key experimental British novels from the 1960 s to the present with special focus on John Fowles Brigid Brophy B S Johnson Angela Carter Peter Ackroyd A S Byatt Martin Amis Zadie Smith Will Self Ian McEwan and Julian Barnes *The New Republic* Herbert David Croly, 2000 **Contemporary Criticisms of Dr. Samuel Johnson, His Works, and His Biographers** John Ker Spittal, 1923 **Recovering Ruth** Robert L.
