**Godonism** Theo Von Cezar, 2010-10-12 The story starts with friends Ahma and Jovian who like most humans have fallen on terrible luck There s nothing special about these two or humanity in general The dystopian grey world the men live in is held tightly in the grip of overpopulation People are subsisting and not much more The friends have nothing to look forward to until they happen to find the Church of All Nonbelievers What s the guiding principle of this somewhat sacrilegious institution As the book states GOD IS NOT INDEBTED TO THE UNIVERSE AND TIME WE ARE INDEBTED TO OUR GOD Enter a paranormal being who offers Ahma and Jovian the chance to rise above their meager existence The offer comes with a warning Should the two mess up the opportunity they ll bring their own ruination The story leads the friends down a winding path that is one half *The Matrix* and another half Heresy In the end the men find out their ties run deeper than ever thought the government s guiding hand in their lives more invasive and the lines between religion and science so completely blurred that both begin to look like futuristic psychology

Shadowed Cocktails Donald R. Anderson, 2010-10-01 An important and prolific playwright Philip Barry wrote hit plays such as *The Philadelphia Story* and *Holiday* However he has been largely forgotten and no book length analysis of his work has appeared in more than forty years With this book Donald R Anderson rescues the playwright from obscurity Although Barry s successes were with comedies of manners he also wrote dramatic and experimental works Anderson analyzes all of Barry s plays twenty one in total and questions the traditional characterization of the American playwright s work He begins with Barry s early plays concerning intergenerational tensions

and lessons learned from the Great War Subsequent chapters explore Barry's preoccupation with fidelity and infidelity his struggles with his Catholic beliefs and his investigations into sources of evil and despair Anderson also looks at the plays of the late 1930s and the 1940s including the posthumously produced *Second Threshold* One chapter is devoted to Barry's synergistic relationship with Katharine Hepburn her role in lifting the playwright out of a mid 1930s slump and his role in rescuing her from the label of box office poison with both *The Philadelphia Story* and the World War II drama *Without Love* Anderson places Barry within the context of his times but also shows him drawing on past influences and anticipating theatrical developments of the latter part of the twentieth century Part cultural history part literary analysis *Shadowed Cocktails* is sure to revitalize interest in this remarkable American author and his role in rescuing her from the label of box office poison with both *The Philadelphia Story* and the World War II drama *Without Love* **Pocket DJ** Sarah Lewitinn, 2012-12-11 Written by Spin writer and professional DJ Sarah Lewitinn aka Ultragrll **THE POCKET DJ** provides a comprehensive list of must have songs and teaches readers how to create playlists for any situation or based on any theme Playlists include absolute crowd pleasers no matter what the crowd songs to make you feel like you're in school except cool now songs to clean the house by songs not by Prince but sound like it the best mash ups on the Web best covers best bootlegs and so on Lewitinn describes the finer points of DJing even if you're the only one listening and offers tips on everything from downloading to keeping your music organized She also offers a peek at what music industry insiders writers performers and celebrities have on their iPods This professionally guided tour of the digital music landscape is the perfect gift for anyone who owns an iPod or is thinking about getting one Or anyone who simply likes good music **Kinnikinic** Clara Treadway Weir, 1907 **The American Irish** William V. Shannon, 1974 The Irish are now among the oldest and best integrated groups in our society The election of John F Kennedy to the presidency demonstrates how much they are taken for granted by other Americans This book puts forward an interpretation of the Irish based upon their history and culture not upon their race in any biological sense The Catholic religion has been a major component in the history and culture of the American Irish With minor exceptions this book discusses only the Catholic Irish Because I am interested only in those who thought of themselves as Irish and who are related to the Irish community in some meaningful way I have not tried in the name of racial imperialism to track down and annex to this story every person of remote Irish ancestry The main story of the Irish in America begins with the famine generation who began to come to this country after 1830 My principle in organizing this book has been to emphasize those activities in which the presence of the Irish has made a significant difference as against what might have occurred if no Irish had come to this country These fields are politics religion the theater literature and such specialized activities as prizefighting and law enforcement Preface **Vanity Fair**, 1930 ***Dress & Vanity Fair***, 1966 **St. Nicholas**, 1912 ***Circus Clowns on Parade***, 1956 ***St. Nicholas*** Mary Mapes Dodge, 1912 ***How to Put on an Amateur Circus*** Fred A.
