Percheron Stud Book of America Percheron Society of America,1921 Gun Country Andrew C. McKevitt,2023-09-18 Just as World War II transformed the United States into a global military and economic superpower so too did it forge the gun country America is today After 1945 war ravaged European nations possessed large surpluses of mass produced weapons and American entrepreneurs seized the opportunity to buy used munitions for pennies on the dollar and resell them stateside A booming consumer market made cheap guns accessible to millions of Americans and rates of gun ownership and violence began to climb Andrew C McKevitt tells the history of this gun boom through the dynamics of consumer capitalism and Cold War ideology the combination of which resulted in a vast number of Americans arming themselves to the teeth and centering their political identity on their guns When gun control legislation emerged in the 1960s many Americans accustomed to the unregulated postwar bounty of cheap guns and fearful of Soviet invasion domestic subversion and urban uprisings fiercely challenged it Meanwhile gun control groups were diverted from their abolitionist roots toward a conciliatory fundraising focused strategy that struggled to limit the stockpiling of firearms Gun Country recasts the story of guns in postwar America as one of Cold War and racial anxieties unfettered capitalism and exceptional violence that continues to haunt us to this day *Not Bored! Anthology 1983-2010* Bill Brown,2011 Massive anthology of essays and illustrations published in NOT BORED between 1983 and 2010 *The Chicago Trunk Murder* Elizabeth Dale,2011-09-01 On November 14 1885 a cold autumn day in the City of Broad Shoulders an enthusiastic crowd of several

hundred watched as three Sicilians Giovanni Azari Agostino Gelardi and Ignazio Silvestri were hanged in the courtyard of the Cook County Jail The three had only recently come to the city but not long after they were arrested tried and convicted for murdering Filippo Caruso stuffing his body into a trunk and shipping it to Pittsburgh Historian and legal expert Elizabeth Dale brings the Trunk Murder case vividly back to life painting an indelible portrait of nineteenth century Chicago ethnic life there and a murder trial gone seriously awry Along the way she reveals a Windy City teeming with street peddlers crooked cops earnest reformers and legal activists all of whom play a part in this gripping tale The Chicago Trunk Murder shows how the defendants in the case were arrested on dubious evidence and held some for weeks without access to lawyers or friends The accused finally confessed after being interrogated repeatedly by men who did not speak their language They were then tried before a judge who had his own view and ruled accordingly The Chicago Trunk Murder revisits these abject breaches of justice and uses them to consider much larger problems in late nineteenth century criminal law Written with a storyteller s flair for narrative and brimming with historical detail this book will be must reading for true crime buffs and aficionados of Chicago lore alike
