Journal of the American Dietetic Association ,1988 **The Taste of Nostalgia** Amy Cox Hall,2024-11-26 An exploration of gender race and food in Peru in the 1950s and 1960s and today From the late 1940s to the mid 1960s Peru s rapid industrialization and anti communist authoritarianism coincided with the rise of mass produced cookbooks the first televised cooking shows glossy lifestyle magazines and imported domestic appliances and foodstuffs Amy Cox Hall s **The Taste of Nostalgia** uses taste as a thematic and analytic thread to examine the ways that women race and the kitchen were foundational to Peruvian longings for modernity both during the Cold War and today Drawing on interviews personal stories media images and archival and ethnographic research Cox Hall considers how elite European descended women and the urban home were central to Peru s modernizing project and finds that all women who labored within the deeply racialized and gendered world of food helped set the stage for a Peruvian food nationalism that is now global in the twenty first century Cox Hall skillfully connects how the sometimes unsavory tastes of the past are served again in today s profitable and pervasive gastronostalgia that helps sell Peru and its cuisine both at home and abroad *A Promise Land of Plenty* B.
