

# BLACKOUT LOOTING!

By ROBERT CURVIN and BRUCE PORTER

Foreword by Mitchell Sviridoff

For the Ford Foundation

# Blackout Looting

**Neil Smith, Don Mitchell**

## **Blackout Looting:**

Blackout James Goodman, 2005-07-05 On July 13 1977 there was a blackout in New York City With the dark came excitement adventure and fright in subway tunnels office towers busy intersections high rise stairwells hotel lobbies elevators and hospitals There was revelry in bars and restaurants music and dancing in the streets On block after block men and women proved themselves heroes by helping neighbors and strangers make it through the night Unfortunately there was also widespread looting vandalism and arson Even before police restored order people began to ask and argue about why Why did people do what they did when the lights went out The argument raged for weeks but it was just like the night lots of heat little light a shouting match between those who held fast to one explanation and those who held fast to another James Goodman cuts between accidents encounters conversations exchanges and arguments to re create that night and its aftermath in a dizzying accumulation of detail Rejecting simple dichotomies and one dimensional explanations for why people act as they do in moments of conflict and crisis Goodman illuminates attitudes ideas and experiences that have been lost in facile generalizations and analyses Journalistic re creation at its most exciting **Blackout** provides a whirlwind tour of 1970s New York and a challenge to conventional thinking

**Blackout Looting** Robert Curvin, Bruce Porter, 1979 Revolting New York Neil Smith, Don Mitchell, Erin Siodmak, JenJoy Roybal, Marnie Brady, Brendan O'Malley, 2018-04-01 A comprehensive guide to New York City s historical geography of social and political movements Occupy Wall Street did not come from nowhere It was part of a long history of uprising that has shaped New York City From the earliest European colonization to the present New Yorkers have been revolting Hard hitting revealing and insightful Revolting New York tells the story of New York s evolution through revolution a story of near continuous popular and sometimes not so popular uprising Richly illustrated with more than ninety historical and contemporary images historical maps and maps drawn especially for the book Revolting New York provides the first comprehensive account of the historical geography of revolt in New York from the earliest uprisings of the Munsee against the Dutch occupation of Manhattan in the seventeenth century to the Black Lives Matter movement and the unrest of the Trump era Through this rich narrative editors Neil Smith and Don Mitchell reveal a continuous if varied and punctuated history of rebellion in New York that is as vital as the more standard histories of formal politics planning economic growth and restructuring that largely define our consciousness of New York s story Contributors Marnie Brady Kathleen Dunn Zult n Gluck Rachel Goffe Harmony Goldberg Amanda Huron Malav Kanuga Esteban Kelly Manissa McCleave Maharawal Don Mitchell Justin Sean Myers Brendan P O Malley Raymond Pettit Miguelina Rodriguez Jenjoy Roybal McNair Scott Erin Siodmak Neil Smith Peter Waldman and Nicole Watson The writing is first rate with ample illustrations and many contemporary and historical images Fast paced and fascinating like the city it profiles Library Journal

**Revolting New York** Neil Smith, Don Mitchell, 2018-04 Occupy Wall Street did not come from nowhere It was part of a long history of riot revolt uprising and sometimes even revolution that has shaped New York City From the earliest European

colonization to the present New Yorkers have been revolting Hard hitting revealing and insightful Revolting New York tells the story of New York s evolution through revolution a story of near continuous popular and sometimes not so popular uprising Richly illustrated with more than ninety historical and contemporary images historical maps and maps drawn especially for the book Revolting New York provides the first comprehensive account of the historical geography of revolt in New York from the earliest uprisings of the Munsee against the Dutch occupation of Manhattan in the seventeenth century to the Black Lives Matter movement and the unrest of the Trump era Through this rich narrative editors Neil Smith and Don Mitchell reveal a continuous if varied and punctuated history of rebellion in New York that is as vital as the more standard histories of formal politics planning economic growth and restructuring that largely define our consciousness of New York s story Contributors Marnie Brady Kathleen Dunn Zult n Gluck Rachel Goffe Harmony Goldberg Amanda Huron Malav Kanuga Esteban Kelly Manissa McCleave Maharawal Don Mitchell Justin Sean Myers Brendan P O Malley Raymond Pettit Miguelina Rodriguez Jenjoy Roybal McNair Scott Erin Siodmak Neil Smith Peter Waldman and Nicole Watson *Fear City* Kim Phillips-Fein,2017-04-18 PULITZER PRIZE FINALIST An epic riveting history of New York City on the edge of disaster and an anatomy of the austerity politics that continue to shape the world today When the news broke in 1975 that New York City was on the brink of fiscal collapse few believed it was possible How could the country s largest metropolis fail How could the capital of the financial world go bankrupt Yet the city was indeed billions of dollars in the red with no way to pay back its debts Bankers and politicians alike seized upon the situation as evidence that social liberalism which New York famously exemplified was unworkable The city had to slash services freeze wages and fire thousands of workers they insisted or financial apocalypse would ensue In this vivid account historian Kim Phillips Fein tells the remarkable story of the crisis that engulfed the city With unions and ordinary citizens refusing to accept retrenchment the budget crunch became a struggle over the soul of New York pitting fundamentally opposing visions of the city against each other Drawing on never before used archival sources and interviews with key players in the crisis *Fear City* shows how the brush with bankruptcy permanently transformed New York and reshaped ideas about government across America At once a sweeping history of some of the most tumultuous times in New York s past a gripping narrative of last minute machinations and backroom deals and an origin story of the politics of austerity *Fear City* is essential reading for anyone seeking to understand the resurgent fiscal conservatism of today **Ladies and Gentlemen, the Bronx Is Burning** Jonathan Mahler,2006-03-21 By early 1977 the metropolis was in the grip of hysteria caused by a murderer dubbed Son of Sam And on a sweltering night in July a citywide power outage touched off an orgy of looting and arson that led to the largest mass arrest in New York s history As the turbulent year wore on the city became absorbed in two epic battles the fight between Yankee slugger Reggie Jackson and team manager Billy Martin and the battle between Ed Koch and Mario Cuomo for the city s mayoralty Buried beneath these parallel conflicts one for the soul of baseball the other for the soul of the city was the subtext of race The brash and confident

Jackson took every black myth and threw it back in white America's face. Meanwhile Koch and Cuomo ran bitterly negative campaigns that played upon urbanites' fears of soaring crime and falling municipal budgets. These braided stories tell the history of a year that saw the opening of Studio 54, the evolution of punk rock, and the dawning of modern SoHo. As the pragmatist Koch defeated the visionary Cuomo and as Reggie Jackson finally rescued a team racked with dissension, 1977 became a year of survival but also of hope. Publishers description [The New York City Blackout of 1977](#) Charles River Charles River Editors, 2018-02-21. Includes pictures. Includes accounts of the blackout by NYC residents. Includes online resources and a bibliography for further reading. Includes a table of contents. Perhaps the most significant effects of the blackout were those felt by public and private organizations with responsibility for the economic and social activities of New York City and its inhabitants. In many cases, these organizations were ill prepared for the blackout, and much of the chaos, economic loss, and individual inconvenience resulted from this lack of preparedness. The Federal Energy Regulatory Commission's Impact Assessment of the 1977 New York Blackout Report. Throughout history, light has been associated with goodness, and darkness has been a connotation for evil. This is no coincidence, given that many bad deeds take place in the world under the cover of darkness. It's no surprise; civilizations have always valued the ability to keep light present, even when the sun goes down and the world itself becomes dark. Beginning with the first discovery of fire, men and women have struggled with ways to tame it for their use so that they might have a sense of safety at night. Just as a roaring fire lit at the mouth of a cave would keep out four-legged predators, so it was widely believed that electric lights could discourage marauders of the two-legged kind. But what happens when the awesome and occasionally awful power of nature snatches light away from those who depend on it to feel safe? This question was answered in a most dismaying way in July 1977 when New York City was plunged into darkness for over 24 hours following a thunderstorm. New Yorkers across the city quickly learned that without the light, they could fall prey to looting and violence of just about every kind imaginable. It did not help that this disaster occurred at a time when the city was under more stress than usual due to a poor economy and frequent reports of a new murder by a serial killer calling himself the Son of Sam. On the other side, for some, the opportunity to take things without much danger of getting caught was about survival—a chance to stock up on items that they felt they needed but could not afford to buy. For others, the looting was a way to blow off steam and strike back at what they perceived to be an unjust system that kept them from having the things they wanted in life. There was even a third group comprised of people who told themselves that what they were doing was not really stealing, since the stores were left unguarded and someone else would take the items if they did not. Working near those bent on destruction during that terrible night were men and women trying to save and restore what was being lost. Police, firefighters, and workers from Con Ed electric company toiled away to try to restore some semblance of order to the city, but unfortunately, by the time they accomplished their tasks, each group had lost more than it won. The police arrested thousands but knew that they missed thousands more. The firefighters

put out many fires but many more spread their destructive flames through homes and businesses of people just trying to make a living And those men who worked through the night to restore power quickly found themselves accused of negligence for letting it go out in the first place Overall the blackout yielded many losers and few winners for even those who got away with looting and arson would have to live with their own consciences In the wake of the blackout Mayor Abe Beame may have put it best when he complained We ve seen our citizens subjected to violence vandalism theft and discomfort The Blackout has threatened our safety and has seriously impacted our economy We ve been needlessly subjected to a night of terror in many communities that have been wantonly looted and burned The costs when finally tallied will be enormous **Blackout!** Therese Angelis,Therese DeAngelis,2003 Reviews the causes and effects of some major blackouts from the 1965 power outage that affected much of New England to the 2001 rolling blackouts in California focusing on the 1977 blackout in New York City that lasted over twenty five hours **A Report on the Blackout Looting** Robert Curvin,Bruce Porter,Ford Foundation,1978 The Wall Street Journal ,1977 **International Review of Modern Sociology** ,1979 **Hurricane Katrina Symposium** ,2007 **The Seventies in America** John C. Super,Tracy Irons-Georges,2006 Presents volume two of a three volume encyclopedia that describes the events movements trends people sports science music politics and more of the 1970s listed in alphabetical order Books of the Times ,1978 *The Restless City* Joanne R. Reitano,2006 New York has always been a bellwether for the nation representing both its brightest ambitions and its darkest fears The Restless City is a short readable history of New York City from colonial times to the present showing how the successes and struggles of the city reinforced each other to create a distinctly dynamic shocking and therefore influential city Organized around conventional time periods each chapter provides an introduction to the era followed by four or five mini essays on different economic political social or cultural conflicts that impacted NYC in that time period This would make a great short text for a course on New York history or on urban history and the development of the American city Time ,1977 *Subject Catalog* Library of Congress,1979 **Editorials on File** ,1977-07 **The Facts On File Encyclopedia of Science, Technology, and Society: E-N** Rudi Volti,1999 Volume two of a three volume set which contains alphabetically arranged entries that present science and technology in a wider context focusing on the historical cultural economic and sociological aspects of scientific topics Criminal Violence, Criminal Justice Charles E. Silberman,1978 Analyzes the current increase in criminal violence in the United States and examines the criminal justice system

## **Blackout Looting Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Blackout Looting has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Blackout Looting has opened up a world of possibilities. Downloading Blackout Looting provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Blackout Looting has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Blackout Looting. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Blackout Looting. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Blackout Looting, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Blackout Looting has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

---

## FAQs About Blackout Looting Books

1. Where can I buy Blackout Looting books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Blackout Looting book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Blackout Looting books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Blackout Looting audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Blackout Looting books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
