the development of the tradition tracing it back from Kant to the present day

**Blackwell Readings in Continental Philosophy**, 1997

**Critical Theory and Disability** Teodor Mladenov, 2016-06-30 Critical Theory and Disability explores social and ontological issues encountered by present day disabled people applying ideas from disability studies and phenomenology It focuses on disabling contexts in order to highlight and criticize the ontological assumptions of contemporary society particularly those related to the meaning of human being In empirical terms the book explores critically social practices that undermine disabled people s well being drawing on cases from contemporary Bulgaria It includes in depth examination of key mechanisms such as disability assessment personal assistance direct payments and disability based discrimination On this basis wider sociological and ontological claims are made concerning the body identity otherness and exclusion

Michel Serres Christopher Watkin, 2020-02-14 Christopher Watkin provides a true overview of Serres thinking Using diagrams to explain Serres thought the first half of the book carefully explores Serres global intuition how he understands and engages with the world and his figures of thought the repeated intellectual moves that characterise his unique approach The second half explores in detail Serres revolutionary contributions to the areas of language objects and ecology All told Watkin shows that Michel Serres has produced a cross disciplinary body of work that provides a crucial and as yet under exploited reference for current debates in post humanism object oriented ontology ecological thought and the environmental humanities

*Continental Philosophy* David West, 2010-12 Previous ed published as An introduction to Continental philosophy 1996

**Living With(in) Your Ends** Kevin Michael Stevenson, 2023-09-15 Did you ever wonder why you see the world around you the way that you do Ever wondered why you might see everything in your world as a means to an end Why should you bother following the dictum to live within your means when you haven t even considered living with or within your ends You might ask yourself what is implied here by ends and by means and why does the latter always seem to come before the former After all how do we end anything without a means for doing so Living With in Your Ends provides a crutch for you to lean on while you ponder the means and ends within your life and the world around you It guides you on how to maintain your true identity without getting sucked into world of means where superficiality prospers Investigating human existence through a lens that values the present moment and which provides for practical consequences Kevin M Stevenson PhD provides an exploration into the deeper realms of perception and their relationships with time and identity Living With in Your Ends not only provides a conceptual map to follow for leading an authentic life it also considers some of the historical and philosophical notions that have blessed and plagued human existence Living With in Your Ends will provide you with a framework for healthy reflection and increased awareness of the intersections between yourself and the world

*Blackwell Readings in Continental Philosophy* Simon Critchley, *The Reception of Husserlian Phenomenology in North America* Michela Beatrice Ferri, 2019-06-05 This book presents a historiographical and theoretical analysis of how Husserlian Phenomenology arrived and developed in North America The chapters analyze the different phases of the reception of

Edmund Husserl's thought in the USA and Canada The volume discusses the authors and universities that played a fundamental role in promoting Husserlian Phenomenology and clarifies their connection with American Philosophy Pragmatism and with Analytic Philosophy Starting from the analysis of how the first American Scholars of Edmund Husserl's thought opened the door to the reception of his texts the book explores the first encounters between Pragmatism and Husserlian Phenomenology in American Universities The study focuses then on those Scholars who fled from Europe to America from 1933 onwards to escape Nazism Felix Kaufmann Alfred Schutz Aron Gurwitsch Herbert Spiegelberg Fritz Kaufmann among the most notable and illustrates how their teaching provided the very basis for the spreading of Husserlian Phenomenology in North America The volume examines then the action of the 20th Century North American Husserl Scholars together with those places societies centers and journals specifically created to represent the development of the studies devoted to Husserlian Phenomenology in the U S with a focus of the Regional Phenomenological Schools
