Bleeders Come First Colin Douglas, 1979-01-01 [The Battle of Gorgonholm](#) Robert John MacKenzie, 2021-01-06 In this third installment of the Chronicles of the Medieval Underworld a primordial force strikes the countryside causing death and destruction in its wake It s up to Thurmond Sarah Roscoe and Torgul to figure out what s happening and stop it before a war breaks loose After years of difficult missions and escaping death Thurmond and his witch companion Sarah have finally been initiated into the Brotherhood of the Underworld Adventurers Their dedication is tested quickly as the people of Gorgonholm have fallen under a dark and dangerous spell wives poison husbands old friends viciously attack each other and most importantly the wild neighboring Keltin clans plan to invade and slaughter them all To save the city Thurmond and his steadfast comrades are tasked with finding Malaichai the only wizard powerful enough to defeat this eldritch force Their perilous journey is filled with old foes and haunted traps Worse yet the wizard Malachai has gone mad with necromancy and has an obsession with melding humans and animals to create hybrid creatures Their mission keeps getting stranger but with a war quickly approaching the crew will risk anything to save the people of Gorgonholm From the subterranean vaults of a malicious necromancer to the crash and chaos of a medieval battlefield *The Battle of Gorgonholm* will have you on the edge of your seat rooting for the unlikely heroes [The Tree of Life](#) Juan Rodriguez, 2020-03-19 Veronica establishes a religious empire that is ruling over what s left of the world She creates other beings like herself which she adopts as children After training them and teaching them how to utilize their powers and become superior beings capable of healing everything and solving any and every conflict problems arise Michal begins using her subtle powers of mind control to deceive Veronica s children into rebelling against her Now there are beings just as powerful as Veronica trying to destroy everything They know her every thought they can see the future and they have all the powers that Veronica has Plus she loves them more than anything How does she stop a creature just as powerful as herself without hurting them and proving that this mind controller was responsible A more sinister plot unfolds The Bleeders in Africa are getting stronger and strogner and forming an alliance besides all of this the man in charge of running the country Caophe who is all the books has developed a bad sex and drug addiction Besides all of this Michal has an even bigger chip she is about to play She is manipulating Veronica s children to resurrect an even more powerful project Sherman s first project Michal revives Project Rain and is mind controlling him Everything is being blamed on Veronica and her religious empire Michal corrupts Religious history and conspiracies to make it look like Veronica is an evil dictator while in secret controlling everyone to do evil One last thing I forgot to mention Project Rain s power is the control over the reality of life and death Whatever he touches whatever he looks at or breathes on or advances toward dies Veronica must face death itself and somehow save the lives of her wicked children *Casebook of a Community Internist* Hector M Baillie, 2023-06-22 Experience begets wisdom and wisdom informs change Patients are the best teachers he told a friend shortly before moving west The choice of a specialist career in community internal medicine

came as a surprise to his colleagues Leaving the big city hospital would mean less access to clinical resources educational rounds house staff and practice support In short less stuff Academia might have offered more But Dr Baillie moved to Mission BC not because he wanted less He wanted to give rural Canadians more the benefit of his extensive training in their home town Most of his time in Mission BC was in solo practice working as internist and intensivist Given how much hands on work he had to do he says It was like an extended fellowship He saw the full spectrum of acute hospital medicine on the ward in the ER and in the ICU On call was heavy he figures he learned thirty years of medicine in fifteen When the hospital downsized dramatically in 2002 he moved to Nanaimo on Vancouver Island Casebook of a Community Internist reviews interesting and notable cases that came his way over decades It combines the storytelling of a memoir with his reflections on personal experience Medical students residents and fellows in training will enjoy these vignettes not only for their content but because they celebrate the joy of medical practice The public will appreciate the accessible and humorous overview of health and disease through a practitioner s eyes To study the phenomenon of disease without books is to sail an uncharted sea while to study books without patients is not to go to sea at all Osler 1901
