Royal Subjects Daniel Fischlin, Mark Fortier, 2002 *The Concentration Camp Brothel* Robert Sommer, 2025-05-06

Discover the chilling untold story of sexual forced labor in Nazi concentration camps In his seminal work *The Concentration Camp Brothel* Robert Sommer reveals the hidden horrors of sexual forced labor within the SS camp system a subject long overshadowed and seldom acknowledged in the discourse on the Holocaust Through his rigorous examination of over seventy archives and poignant interviews with more than thirty survivors including former visitors of camp brothels Sommer paints a vivid and harrowing picture of the atrocities committed This book is the first to offer a comprehensive exploration of the establishment operation and profound impact of brothels in Nazi concentration camps Sommer's research meticulously details the brothels integration into the concentration camp system their role in the Nazi exploitation of bodies for control and profit and the complex reactions of the prisoner society to these establishments He explores the desperate survival strategies employed by the women forced into sexual labor and the chilling motivations of their exploiters The book also places the tragedy of camp brothels in the broader context of sexual violence under Nazi rule making a critical connection between these acts of exploitation and the overall history of the Holocaust This updated English edition incorporates new findings and perspectives since the original German publication in 2009 providing a more comprehensive understanding of the subject The foreword by Annette F Timm adds further context and contemporary analysis enhancing the book's relevance and depth
