**Anthony S. Fauci**

## **Core A Romance:**

**Core** Kassten Alonso, 2011-03-01 This intense and compact novel crackles with obsession betrayal and madness and is an Oregon Book Award Finalist for fiction 2005 As the narrator becomes fixated on his best friend s girlfriend his precarious hold on sanity rapidly deteriorates into delusion and violence This story can be read as the classic myth of Hades and Persephone rewritten for a twenty first century audience as well as a dark foreboding tale of unrequited love and loneliness Alonso skillfully uses language to imitate memory and psychosis putting the reader squarely inside the narrator s head In addition deliberate misuse of standard punctuation blurs the distinction between the narrator s internal and external worlds A sense of alienation and Faulknerian grotesquerie permeate this landscape where desire is borne in the bloom of a daffodil and sanity lies toppled like an applecart in the mud

**Secrets to Becoming a Successful Author Boxset** Maggie McVay Lynch, 2018-11-27 Frustrated with the plethora of conflicting information on how to self publish Wouldn t it be wonderful to sit down with someone who has already made the mistakes done the analysis and will provide you the short cuts the secrets about the things that work Now you have that chance with the Career Author Secrets series Indie Publishing Self Publishing has changed dramatically in the past five years There are now new easier tools to use for every part of the process editing formatting distribution sales and analysis This boxset contains three books Secrets Every Author Should Know Publishing Basics It contains everything a DIY author needs to get her book from manuscript to professional publication in both ebook and print including Why books don t sell Options for DIY or contracting professionals The truth about ISBNs 2 Use Social Media and Email lists to Engage with Your Readers and 3 Plan for Effective Campaigns for both Book Launches and Backlist Rejuvenation throughout the year In addition this book provides techniques to Distinguish specific groups of readers most likely to buy your novel or nonfiction book Understand your competition and the advantages that your book offers Clarify hooks that capture attention of the media reviewers and readers Identify where and how to reach readers reviewers and media Create and implement a consistent brand throughout all marketing efforts Effectively select from 100 options the appropriate marketing tactics and timing that matches your book intentions and values Maximize organic reach and stay to a budget of less than 100 per book campaign Develop a long term online marketing plan

**Colour and colour naming: crosslinguistic approaches** João Paulo Silvestre, Esperança Cardeira, Alina Villalva, 2016-09-01 The Colour and Colour Naming conference held in 2015 at the University of Lisbon offered a chance to explore colour naming processes from a cross linguistic approach The conference was an initiative of the working group Lexicography And Lexicology from a Pan European Perspective itself part of the COST action European Network of Lexicography The working group investigates the various ways by which vocabularies of European languages can be represented in dictionaries and how existing information from single language dictionaries can be displayed and interlinked to better communicate their common European heritage The proceedings gather together a selection of studies originally presented at the conference The first section of the volume

outlines a Pan European perspective of colour names the second section is devoted to the categorisation and lexicographic description of colour terms

Secrets to Effective Author Marketing Marguerita McVay Lynch,2017-12-09 Have you put your book out there and been disappointed in your sales Perhaps you've tried a variety of marketing tactics to boost discoverability blog posts social media book tours paid ads in a variety of venues But nothing is working The publishing landscape changes every year The number of books published has increased and the competition for readers is more than it has been before The key is to define your audience and then convince those potential readers of the value of your book Your marketing time and money should primarily be spent on a message of value not price not story and not genre This book provides specific techniques to exploit that value without resorting to the typical overexposure in social media and newsletters with Buy My Book sales messaging Instead focus on the top three proven techniques that actually sell books Follow step by step instructions and timelines to learn how to 1 Create an Effective Plan for Communicating to Readers 2 Use Social Media and Email lists to Engage with Your Readers and 3 Plan for Effective Campaigns for both Book Launches and Backlist Rejuvenation throughout the year In addition this book provides techniques to Distinguish specific groups of readers most likely to buy your novel or nonfiction book Understand your competition and the advantages that your book offers Clarify hooks that capture attention of the media reviewers and readers Identify where and how to reach readers reviewers and media Create and implement a consistent brand throughout all marketing efforts Effectively select from 100 options the appropriate marketing tactics and timing that matches your book intentions and values Maximize organic reach and stay to a budget of less than 100 per book campaign Develop a long term online marketing plan
