*Interests and Obsessions* Robert Skidelsky, 1993 A collection of essays on subjects including the Commonwealth the uses of history and the economic decline of Britain and on figures such as Sidney and Beatrice Webb and Enoch Powell Robert Skidelsky is the author of the acclaimed two volume biography of J M Keynes and brings his critical and imaginative powers to bear on a whole series of figures and subjects crucial to an understanding of modern history

**The Making of Eurosceptic Britain** Dr Chris Gifford, 2014-10-28 What has been the political impact of the Eurozone Debt Crisis in the UK To what extent have the bank collapses and bailouts reinforced Britain's Eurosceptic trajectory In this revised and updated second edition Chris Gifford addresses these key questions reflecting on the Labour government's approach to Europe while exploring the extensive mobilisation of Eurosceptic forces in opposition to the Conservative led coalition government The book examines the extent to which Euroscepticism has become dominant within both the Conservative leadership and the bulk of its parliamentary party and how this has affected the relationship of the coalition government with the European Union By placing current attitudes to Europe in relation to the wider history of Britain's post war interaction with its continental neighbours the author shows how British Euroscepticism is structural in nature and a persistent and institutionalised feature of UK Politics

**The Making of Eurosceptic Britain** Chris Gifford, 2008 Populist Euroscepticism has become fundamental to constituting Britain and Britishness in a post imperial context despite membership of the European Union This book is organized chronologically providing overviews of key periods in the British European Union relationship

Failed Führers Graham Macklin, 2020-03-27 This book provides a comprehensive history of the ideas and ideologues associated with the racial fascist tradition in Britain It charts the evolution of the British extreme right from its post war genesis after 1918 to its present day incarnations and details the ideological and strategic evolution of British fascism through the prism of its principal leaders and the movements with which they were associated Taking a collective biographical approach the book focuses on the political careers of six principal ideologues and leaders Arnold Leese 1878 1956 Sir Oswald Mosley 1896 1980 A K Chesterton 1899 1973 Colin Jordan 1923 2009 John Tyndall 1934 2005 and Nick Griffin 1959 in order to study the evolution of the racial ideology of British fascism from overtly biological conceptions of white supremacy through racial nationalism and latterly to cultural arguments regarding ethno nationalism Drawing on extensive archival research and often obscure primary texts and propaganda as well as the official records of the British government and its security services this is the definitive historical account of Britain's extreme right and will be essential reading for all students and scholars of race relations extremism and fascism

*The Labour Party and Taxation* Richard Whiting, 2001-01-25 This is a political history of Labour's use of the tax system from 1906 to 1979 an epilogue brings the story up to the present surveying New Labour's tax policies and dilemmas Richard Whiting's broad ranging lucid and readable study examines how Labour used tax to further its political aims of funding welfare managing the economy

promoting fairness and achieving greater equality Whiting also shows the limits of Labour's ability to achieve a more equal society in this way assesses the ability and standing of key figures in the Labour movement and delineates the problems caused by the political role of the trade unions This study provides an original perspective on Labour's history and is a valuable contribution to understanding both the tax structure and the politics of twentieth century Britain more generally
