

Dear Parents and Guardians,

I am writing to inform you of an incident that occurred at Blackwell Elementary School this week. Following a report from a parent, the school administration was made aware that a student had allegedly shown a gun to a classmate during school hours. The Blackwell Police Department was notified and promptly began an investigation.

The police department's investigation, in conjunction with the school's, found that the student who brought the gun to school had no intention of harming anyone and only intended to show it to their friend. The gun was only shown to one student. However, the incident served as a sharp reminder of the importance of gun safety and the seriousness of bringing any firearm onto school premises.

We want to emphasize the importance of educating your children on the risks associated with handling firearms and the specific rule against bringing them to school.

If you have any questions or concerns regarding this incident please do not hesitate to reach out to an administrator at the elementary school or myself.

Sincerely,

Shawn Haskins  
Superintendent  
Blackwell Public Schools
