artwork *Bleak House Part Two* Charles Dickens,1852-03-01 Part 2 Chapters 34 67 Bleak House is a novel by Charles Dickens published in twenty monthly installments between March 1852 and September 1853 It is held to be one of Dickens s finest novels containing one of the most vast complex and engaging arrays of minor characters and sub plots in his entire canon The story is told partly by the novel s heroine Esther Summerson and partly by an omniscient narrator Memorable characters include the menacing lawyer Tulkinghorn the friendly but depressive John Jarndyce and the childish and disingenuous Harold Skimpole as well as the likeable but imprudent Richard Carstone As usual Dickens drew upon many real people and places but imaginatively transformed them in his novel Hortense is based on the Swiss maid and murderess Maria Manning The telescopic philanthropist Mrs Jellyby who pursues distant projects at the expense of her duty to her own family is a criticism of women activists like Caroline Chisholm The childlike but ultimately amoral character Harold Skimpole is commonly regarded as a portrait of Leigh Hunt Dickens wrote in a letter of 25 September 1853 I suppose he is the most exact portrait that was ever painted in words It is an absolute reproduction of a real man and a contemporary critic commented I recognized Skimpole instantaneously and so did every person whom I talked with about it who had ever had Leigh Hunt s acquaintance 1 G K Chesterton suggested that Dickens may never once have had the unfriendly thought Suppose Hunt behaved like a rascal he may have only had the fanciful thought Suppose a rascal behaved like Hunt Mr Jarndyce s friend Mr Boythorn is based on the writer Walter Savage Landor The novel also includes one of the first detectives in English fiction Inspector Bucket This character is probably based on Inspector Charles Frederick Field of the then recently formed Detective Department at Scotland Yard 2 Dickens wrote several journalistic pieces about the Inspector and the work of the detectives in Household Words his monthly periodical in which he also published articles attacking the Chancery system The Jarndyce and Jarndyce case itself has reminded many readers of the thirty year Chancery case over Charlotte Smith s father in law s will
