Blessed Be:

Magic Is God; Blessed Be! Dr. Isis Day, 2015-01-08 One of the reasons you're checking out this book *Magic Is God* by Dr. Isis Day is because you're looking for the Truth and once a Truth Seeker always one. If you're seeking sincerely then the message in this book will itch in your ears till you understand them. However, one thing is for sure: You will never be the same as you were before you studied this book. This message is for your betterment, advancement, and strengthening. If well understood and applied, it will bring you power and possessions and it will make you a master of yourself and other things. No one who studies this book needs ever again fear any undue influence on the part of others. It is the author's wish for this book to help you grow in Witchcraft or as a Pagan and to help you to throw off the bonds and shackles of mental slavery. You'd then become strong, positive, optimistic, and benevolent Witches instead of weak, negative, pessimistic, and depressed Pagans. *Magic Is God* is an inspired holy book, a revelation. It is a Witch's New Testament, the Awakening ushering in a new beginning for Witches and Wizards in particular and Pagans and New Agers in general. There has never been and will never be any published material or uttered statement that could surpass this book in upholding the Truth that Magic is God. No higher Truth has ever been spoken or written of and no higher Truth will ever be spoken or written of after this book. Those who shall devotedly and sincerely adopt this message of truth will inevitably perceive and realize the Truth whereby satisfaction and freedom are secured. Some Reviews: Being a Pagan never got better. This is definitely Magic and Witchcraft simplified. Juliette Williams: *Magic Is God* reveals the secret and true source of real power for Witches and Wizards. The Venerable Chuan Chuang: Empowering, Inspiring, and Motivating, exposing the Truth every Pagan seeks. It divulges the not-so-known spirit and language of Witchcraft for Witches and Wizards. Dr. Franco Scott: My goodness, Magic has never enjoyed such exaltation before. I suspect that some of the gods, especially those of non-Pagan religions, would be jealous of this elevation. Luxley Harris: This book *Magic Is God* by Dr. Isis Day is a rare and unique masterpiece that will shake the foundations of what anyone already knows about Magic, Witchcraft, and Pagans. It is one small step for Pagans and New Agers in general but a giant leap for Witches and Wizards in particular. In this book, the practice of Witchcraft gets a lot more magical than ever. Are you spiritually and metaphysically daring and open-minded? Grab a copy now and start reading. Rica Mira, Founder of Joanism: Some Bonus Chapters: Appendix C: The Wrathful Side Of A Witch: Power Boosters For Witches; Appendix D: Self Hypnosis For Witches; Appendix E: Creative Visualization For Witches; Appendix F: Guided Meditation For Witches. *'Blessed be Egypt'*, *some account of present missionary effort*, ed. by W. J. W. Roome, William John W. Roome, 1898. [Blessed be Our Table](#) Neil Paynter, 2003. This book of graces and reflections integrates thankfulness with a burning passion for justice, both of which are central to our relationship with a bountiful provider, God, with the whole creation, with each other, and with our brothers and sisters throughout the world who, because of greed and injustice, will not receive their daily bread. This work invites us to pray and recommit ourselves to act for justice each time we join in the simple sharing of a meal. It is also very much a celebration.

of food of diversity of community and sharing of creator and creation The graces in this book are from a wide range of contributors from Iona Community members associates and friends from other religious communities and houses of welcome from humanitarian organisations from different faiths and traditions
