## **Copperhead Cane:**

*Copperhead Cane* Jim Wayne Miller, 1995-01-01      Copperhead cane Jim Wayne Miller, 1995      **Kentucky's Age of Wood** Kenneth Clarke, 2021-12-14 The old tools and wooden objects illustrated in this book are homely reminders of a time when the majestic forests of the frontier were the source not only of the pioneer's house, barn and fences but of his children's toys, his wife's egg basket and a hundred other necessities and pleasures. More than fifty delicate line drawings by Ira Kohn and the clear nontechnical discussion by Kenneth Clarke of the making and uses of these humble objects, many of them unfamiliar to the eyes of the current generation of Kentuckians, give the reader new insight into the life of the pioneer.

Six Poets from the Mountain South John Lang, 2010-04-20 In the most extensive work to date on major poets from the mountain South, John Lang takes as his point of departure an oft-quoted remark by Jim Wayne Miller: Appalachian literature is and has always been as decidedly worldly, secular and profane in its outlook as the region's traditional religion appears to be spiritual and otherworldly. Although this statement may be accurate for Miller's own poetry and fiction, Lang maintains that it does not do justice to the pervasive religious and spiritual concerns of many of the mountain South's finest writers, including the five other leading poets whose work he analyzes along with Miller's: Fred Chappell, Robert Morgan, Jeff Daniel, Marion Kathryn Stripling Byer, and Charles Wright. Lang demonstrates all write poetry that explores, sometimes with widely varying results, what they see as the undeniable presence of the divine within the temporal world. Like Blake and Emerson before them, these poets find the supernatural within nature rather than beyond it. They all exhibit a love of place in their poems, a strong sense of connection to nature and the land, especially the mountains. Yet while their affirmation of the world before them suggests a resistance to the otherworldliness that Miller points to, their poetry is nonetheless permeated with spiritual questing. Dante strongly influences both Chappell and Wright, though the latter eventually resigns himself to being simply a God-fearing agnostic, whereas Chappell follows Dante in celebrating the love that moves the sun and other stars. Byer, probably the least orthodox of these poets, chooses to lay up treasures on earth, rejecting the transcendent in favor of a Native American spirituality of immanence, while Morgan and Marion find in nature what Marion calls a vocabulary of wonders akin to Emerson's conviction that nature is the language of the spiritual. Employing close readings of the poets' work and relating it to British and American Romanticism as well as contemporary eco-theology and eco-criticism, Lang's book is the most ambitious and searching foray yet into the worlds of these renowned post-World War II Appalachian poets.

*Conversations with Kentucky Writers* Linda Elisabeth LaPinta, 2021-11-21 Kentucky and Kentuckians are full of stories, which may be why so many present-day writers have Kentucky roots. Whether they left and returned like Wendell Berry and Bobbie Ann Mason or adopted Kentucky as home like James Still and Jim Wayne Miller or grew up and left for good like Michael Dorris and Barbara Kingsolver, they have one connection: Kentucky has influenced their writing and their lives. Linda Elisabeth Beattie explores this influence in twenty intimate interviews. *Conversations with Kentucky Writers* was more than three years in the

making as Beattie traveled across the state and beyond to capture oral histories on tape Her exhaustive knowledge of these authors helped her draw out personal revelations about their work their lives and the nature of writing When Still concludes his interview with I believe I ve told you more than anybody he could be speaking for any of Beattie s subjects Aspiring writers will learn that Mason submitted twenty stories to the New Yorker before one was accepted and that Still wrote articles for Sunday school magazines There s plenty of advice Dorris tells budding authors to get real jobs keep journals and read everything even cereal boxes and Marsha Norman reminds playwrights that it is not the business of the theater to provide writers with a living Kingsolver advises Read good stuff and write bad stuff until eventually what you re writing begins to approximate what you re reading Beattie s collection includes striking self portraits of such writers as Sue Grafton Leon Driskell James Baker Hall Fenton Johnson George Ella Lyon Taylor McCafferty Ed McClanahan Sena Naslund Chris Offutt Lee Pennington and Betty Layman Receveur What most distinguishes these moving conversations from other author interviews is their focus on creativity on the teaching of writing and on the authors strong sense of place As Wade Hall writes in his foreword all twenty writers recognize that their works have been significantly influenced by their Kentucky experience This collection offers insights into Kentucky s rich and flowering literary heritage
