# Copyright In School Libraries

**Carl A. Harvey II, Audrey P. Church**

## **Copyright In School Libraries:**

Copyright for School Libraries Carol Simpson,1994 Discusses the copyright law in relation to schools presenting examples of typical school situations and various types of copyrights      *Copyright for Schools* Carol Simpson,Sara E. Wolf,2021-01-12 Copyright for Schools makes legal concepts related to U S copyright law understandable to educators A staple on reference shelves it has now been updated with new court rulings and technology applications This updated edition of Copyright for Schools explains U S copyright law as it applies to education settings clearly and concisely for teachers and school librarians Topics new to this edition include copyright implications related to the use of such streaming services as Netflix™ and Pandora™ links to online tools that teachers can use to assist them in making their own daily decisions regarding the use of copyrighted materials and implications relating to the use of anonymous internet publishing tools such as Snapchat™ and use of Cloud based sharing Other new topics include issues related to disability how to appropriately respond to cease and desist letters and other legal inquiries implications of the Music Modernization Act and expanded discussion of open resources such as Creative Commons licenses This edition also adds a concordance in a Scope and Sequence table format so all information related to U S copyright knowledge is accessible no matter where it resides within the text and provides links to online tools and resources that can be used to guide users of copyrighted materials in making decisions about how to use them Still included are the real world applications and the Q A sidebars from prior editions

**Copyright in School Libraries** Sandy Norman,1996      Complete Copyright for K-12 Librarians and Educators Carrie Russell,2012-08-17 School librarians and educators have specific copyright questions that are often glossed over in larger books on the subject Now thanks to best selling copyright authority Carrie Russell there s a resource just for them offering clear guidance for providing materials to students while carefully observing copyright law Using whimsical illustrations so well known from Complete Copyright Russell Offers detailed advice on the distinctive issues of intellectual property in the school setting Explores scenarios often encountered by educators such as using copyrighted material in school plays band and orchestra performances bulletin board displays and student participation in social media Precisely defines fair use empowering readers by showing exactly what s possible within the law Balancing intellectual property law with the rights of school librarians and educators will be a snap with an assist from Complete Copyright for K 12 Librarians and Educators

**Copyright Law for Librarians and Educators** Kenneth D. Crews,2012 The advancement of innovative education librarianship and scholarship has become increasingly entangled with copyright law Research and education seem to be routinely reinvented with the creation of new software and technological devices Private agreements are becoming a dominant force on the shape of legal rights and responsibilities      *The New Copyright Law* American Library Association,1977      **Copyright, Media, and the School Librarian** American Association of School Librarians,1978

Applying the New Copyright Law Jerome K. Miller,1979      **Keep it Legal** G. P. Cornish,2003      *Technology Handbook*

*for School Librarians* William O. Scheeren, 2015-08-18 Stay current meet educational standards and keep your students coming back again and again by incorporating the latest technologies into your school library Both theoretical and practical this book will provide you with a strong introduction to a variety of technologies that will serve you and your patrons well Each chapter addresses a different aspect or kind of technology You ll learn essential skills planning and funding techniques and what hardware and software you ll need You ll find plenty of information on creating or maintaining your library s web presence through websites blogs and social networking as well as on various tools that you can use and apply to your curriculum Many state standards include technology components and this guide shows you how to meet them and stay up to date You ll also learn what you should watch for in the future so you remain essential to your school

**What Educators Should Know about Copyright** Virginia M. Helm, 1986 Because so many educational materials can be duplicated easily it is imperative that educators be familiar with copyright regulations on the use of technological hardware and software This fastback provides educators with information about the basic aspects of copyright regulations under the following headings 1 The Copyright Law and Fair Use Rights of Copyright Proprietors Limitations on Exclusive Rights Fair Use Statutory Factors Fair Use Other Factors and The Supreme Court and Fair Use 2 Guidelines for Photocopying Single Copying for Teachers and Researchers Multiple Copies for Classroom Use Prohibited Copying Permission from Publishers Copying Music and Photocopying by Library Staff 3 Computers and Copyright Copyright and Software Use Other Questioned Uses and School Libraries and Computer Software 4 Copyright Law and Audiovisual Materials Permissible Uses Prohibited Uses Videotapes The For Home Use Only Warning School Libraries and Videotapes and School Libraries and Other Audiovisual Materials 5 Videotape Recorders Off Air Taping Guidelines for Taping Commercial Broadcasts Guidelines for Taping Public Broadcasting Service Programs and Television Broadcasts Taped by Teachers 6 Live and Transmitted Performances and 7 Penalties for Infringement of Copyright Twelve references are provided KM

*A Guide to the Copyright Act (1994) for School Libraries* Richard Niven, National Library of New Zealand, 1995-08-01

**School Library Management** Carl A. Harvey II, Audrey P. Church, 2022-03-29 Highlighting activities and discussion questions that will pique student interest and facilitate instruction the 8th edition of this well known school library text gathers management articles into a ready to use volume that showcases current best practices This 8th edition of *School Library Management* offers a fully updated collection of articles designed to guide both new and practicing school librarians It gathers information about the issues and trends in the field programming ideas and advice from school library leaders Contemporary articles from the past five years of *School Library Connection* bring this edition up to the present Carefully curated chapters address today s best practices to improve school library programs integrating technology considerations throughout each of the sections Authors cover timely topics such as equity diversity and inclusion budgets copyright librarian professional development evaluation and advocacy Each chapter begins with an introduction to put issues into context and ends with activities that will help librarians further explore All readers will

appreciate this volume as one stop shopping for readings that address best practices in light of major new guiding documents and standards in the school library field

**Copyright** Donna L. Ferullo, Dwayne K. Buttler, 2023-09-03 An invaluable resource giving librarians the tools to assess copyright issues risks and approaches both domestically and internationally Library Journal Starred Review Finally a plain language guide to best practices for the complex world of copyright management in academic libraries Copyright issues continue to perplex librarians and educators The difficulties and confusion in applying the U S Copyright Act became especially apparent when Covid hit and many universities turned to remote learning as their primary method of instruction Librarians and educators struggled with applying the law for both remote learners and students who were on site This book provides advice on how to analyze and apply the copyright law to specific areas encountered by librarians and instructors Coverage includes Controlled digital lending is a very hot issue and confusing to many as to how copyright could apply in those situations remote learning do s and don ts is at the forefront of copyright concerns which was highlighted during the pandemic The application of copyright to music in light of recent changes to the U S Copyright Act has caused much confusion Analysis of the new law and strategies on how to include music in a curriculum as well as how libraries can provide access and preservation of musical works Open access initiatives have become increasingly popular However open access does not mean that there is no copyright attached to the works The use of data is exploding as are the copyright issues associated with it We will examine the issues and provide options Written by Donna L Ferullo the Director of the University Copyright Office at Purdue University who holds both law and library science degrees and Dwayne K Buttler the Evelyn J Schneider Endowed Chair for Scholarly Communication at the University of Louisville who also holds a law degree Both Ferullo and Buttler have many years of experience advising their universities on copyright law

**School Librarians and Principals Leading Together** Dianne Oberg, Luisa Marquardt, 2025-09-04 Describes how school librarians and principals can collaborate for the benefit of their students and communities School library professionals around the world understand that the leadership of the school principal impacts the success of the school library School Librarians and Principals Leading Together offers a timely collection of research literature addressing the role of the principal in adopting implementing evaluating and institutionalizing school libraries An international group of contributors makes this a wide ranging and comparative study of the important relationship between principals and librarians in service of student learning and achievement Chapter topics include principals perceptions of the impact of the school library on student academic achievement flexible scheduling school libraries as technology hubs and the ways in which the impact of the library librarian is assessed Chapters travel the world from rural Thailand to New Zealand to China to the United States Anyone interested in better understanding international perspectives and alternative approaches to the partnership between school principals and librarians will greatly appreciate this research

**Technology for the School Librarian** William O. Scheeren, 2010-01-22 The world of the school librarian has changed significantly over the past ten years

with the proliferation of technology into all phases of education this book attempts to address these issues What does a school librarian need to know about technology Technology for the School Librarian Theory and Practice is an introduction to all aspects of technology in the school library and provides a starting point for further study of this wide ranging and critically important field The only book that addresses both the theoretical and the practical aspects of the subject Technology for the School Librarian is organized into 13 chapters describing the most vital topics in technology for school librarians Within these chapters school librarians whether practicing or prospective will be introduced to the practical aspects of technology in the school library and presented with a theoretical framework that will allow them to continue their research and learning Case studies facilitate understanding as do the study questions included with each chapter

*The Collection Program in Schools* Marcia A. Mardis, 2021-07-19 This thorough treatment of collection development for school library educators students and practicing school librarians provides quick access to information This seventh edition of *The Collection Program in Schools* is updated in several key areas It provides an overview of key education trends affecting school library collections such as digital textbooks instructional improvement systems STEM priorities and open education resource OER use and reuse Topics of discussion include the new AASL standards as they relate to the collection the idea of crowd sourcing in collection development and current trends in the school library profession such as Future Ready Libraries and new standards from the National Board for Professional Teaching Standards Each chapter has been updated and revised with new material and particular emphasis is placed on disaster preparedness and response as they pertain to policies circulation preservation and moving or closing a collection This edition also includes updates to review of curation and community analysis principles as they affect the development of the library collection

*Pennsylvania Guidelines for School Library Media Programs* State Library of Pennsylvania, 1987

*Annual Report of the Register of Copyrights for the Fiscal Year Ending ...* Library of Congress. Copyright Office, 1915

*Growing Pains* Laura N. Gasaway, 1997 This book is written by scholars with expertise in the fields of copyright law education librarianship The contributors advocate changes in the copyright statute in interpretations of the law in school library practices so that librarians educators can meet their obligations exercise their fair use rights fully
