

Corporate Interiors

Arturo Cuomo

Corporate Interiors:

Corporate Interiors Roger Yee,2005 *Corporate Interiors* No 6 documents the resilience of America s top businesses in the 21st century by showcasing their newest offices created by some of the nation s leading architects and interior designers Its beautifully reproduced four color pages provide a guided tour of corporate America inviting readers into the headquarters branch offices product development centers overseas offices and other facilities where managers professionals and their staffs are shaping the nation s economy Corporate executives and their architects and interior designers will find the book s more than 125 projects depicted in over 500 color images are an excellent way to assess the options for planning designing and building their own facilities *Corporate Interiors 7 INTL* Roger Yee,2006-11-28 *Corporate Interiors* No 7 captures a timely portrait of American companies as they explore the unprecedented possibilities of the global economy by visiting their newest offices created by some of the nation s leading architects and interior designers In one superbly printed four color page after another readers are invited on a guided tour of corporate America that will take them into such strategic locations as headquarters regional operating centers R D facilities call centers law offices showrooms and broadcast centers to see where many of the nation s managers professionals and other decision makers work Business leaders and their architects and interior designers will find the book s scores of recently completed projects showcased in hundreds of color images provide an effective means of assessing their options for planning designing and building state of the art facilities BOOK JACKET Distributed by Syndetic Solutions Inc *Corporate Interiors 8 INTL* Roger Yee,2007-12-04 Roger Yee is a graduate of the Yale School of Architecture and has received honors for his work in the field from such organisations as the American Institute of Architects and the Society of Interior Designers He has been editor in chief of three design magazines Contract Design Corporate Design and Reality and Unique Homes In the latter capacity he created InterPlan the New York interior design exposition held each autumn since 1994 **Corporate Interiors 4** Visual Reference Publications,2001-11-13 A fresh look at office design for the future showcasing the talents of over 50 design firms Features innovative solutions for such office interior problems as using space efficiently providing for technical equipment and more **Corporate Interiors** Roger Yee,2003 *Corporate Interiors* No 5 will showcase exciting new offices designed by America s leading architectural and interior design firms In over 320 pages this volume presents innovative solutions with over 120 projects by 35 design firms nationwide solutions that will stimulate and inspire Corporate executives and their architects and interior designers will find this an excellent way to assess how both blue chip corporations and new start ups are coping with the opportunities and challenges of the global economy A valuable index of supplier resources is included **Corporate Interiors** ,1998 *Designing Commercial Interiors* Christine M. Piotrowski,Elizabeth A. Rogers, IIDA,2010-01-26 The definitive reference on designing commercial interiors expanded and updated for today s facilities Following the success of the ASID Polsky Prize Honorable Mention in 1999 authors Christine Piotrowski and Elizabeth Rogers have extensively revised this guide to

planning and designing commercial interiors to help professionals and design students successfully address today's trends and project requirements. This comprehensive reference covers the practical and aesthetic issues that distinguish commercial interiors. There is new information on sustainable design, security, and accessibility—three areas of increased emphasis in modern interiors. An introductory chapter provides an overview of commercial interior design and the challenges and rewards of working in the field and stresses the importance of understanding the basic purpose and functions of the client's business as a prerequisite to designing interiors. This guide also gives the reader a head start with eight self-contained chapters that provide comprehensive coverage of interior design for specific types of commercial facilities ranging from offices to food and beverage facilities and from retail stores to health care facilities. Each chapter is complete with a historical overview, types of facilities, planning and interior design elements, design applications, a summary, references, and Web sites. New design applications covered include spas in hotels, bed and breakfast inns, coffee shops, gift stores, and salons; courthouses and courtrooms; and golf clubhouses. In keeping with the times, there are new chapters focusing on senior living facilities and on restoration and adaptive use. A chapter on project management has been revised and includes everything from proposals and contracts to scheduling and documentation. Throughout the book, design application discussions, illustrations, and photographs help both professionals and students solve problems and envision and implement distinctive designs for commercial interiors. With information on licensing codes and regulations along with more than 150 photographs and illustrations, this combined resource and instant reference is a must-have for commercial interior design professionals, students, and those studying for the NCIDQ licensing exam. Corporate Interiors Roger Yee, 2008. America's leading businesses and institutions are constantly looking for ways to work faster, cheaper, and smarter in the global economy. With more than 120 projects by 32 design firms, *Corporate Interiors No. 9* presents innovative yet practical design solutions from around the country: Corporate headquarters, branch offices, product development centers, overseas offices, and other facilities where professionals are shaping the country's economy. Each featured project is indexed for easy reference, and a list of suppliers is included. The latest in the successful *Corporate Interiors* series, this book takes executives, architects, and interior designers serving the corporate and institutional world on a guided tour of the latest in successful design.

Corporate Interiors No. 13 Roger Yee, 2017-06. Over 25 leading architectural design firms present new directions that are being created in the design of today's workplaces. *Corporate Interiors* Sylvia Leydecker, 2015. Today, well-designed spaces are essential for every company. This book on the basics of corporate design shows the most important premises for the conception of interiors and gives an overview of the topic with over 100 examples.

Interior Design Corky Binggeli, 2007-02-26. From the history of interior design to professional development, this guide completely covers the process of interior design: the development of a design concept, analysis of built spaces, programming, and functional relationships, space planning, and design development presentations.
