

CORRECTIONAL INSTITUTION

LESSON 1

Topic No. 1

Introduction to Institutional Corrections

- Correction is the fourth pillar of the Criminal Justice System charged with the responsibility for the custody, supervision and rehabilitation of convicted offenders. It is also defined as the **STUDY OF JAIL OR PRISON MANAGEMENT AND ADMINISTRATION** as well as the rehabilitation and reformation of criminals. It includes all government agencies, facilities, programs, procedures, personnel, and techniques concerned with the investigation, intake, custody, confinement, supervision, or treatment of alleged offenders.

Considered to be the weakest of the Five Pillars namely Law Enforcement, Prosecution, Court, Corrections and Community because of its inability to reform and rehabilitate the convicted criminals.

THREE COMPONENTS OF CORRECTIONS

1. INSTITUTIONAL CORRECTIONS / INSTITUTION-BASED CORRECTIONS

Institution-Based Corrections comprise of prisons and jails that are concerned with prisoners serving terms of imprisonment, those under detention status and those for safekeeping in selected cases. The jails and prisons are administered by the –

- Bureau of Corrections of the DOJ for national penitentiaries.
- Bureau of Jail Management and Penology of the DILG for municipal, city and district jails.
- Local Government Units with regard to provincial and sub-provincial jails.
- Philippine National Police maintains detention facilities in its different police stations nationwide.

2. NON-INSTITUTIONAL CORRECTIONS / COMMUNITY-BASED CORRECTIONS

Community-based Corrections pertain to probation, parole, pardon and other forms of executive clemencies. These are being managed by the –

- Parole and Probation Administration (PPA) of the DOJ. PPA conducts a post-sentence investigation of petitioners for probation as referred by the courts, as well as pre-parole/pre-executive clemency investigation for those referred by the Board of Pardons and Parole (another DOJ agency), to determine the suitability of the offender to be reintegrated in the

Simonsen,1981 *Introduction to Corrections* Richard A. Tewksbury,2014-07-10 This is that book The one that is authoritative and readable The one that covers the subject thoroughly but is always manageable navigable and engaging It pairs sterling authorship with an accessible style Like the wind at your back Richard Tewksbury s *Introduction to Corrections* motivates you through a wide range of interesting topics without impediment because clear text needs no box Accessible and authoritative Richard Tewksbury s *Introduction to Corrections* features A succinct overview of the American correctional system by a renowned scholar in the field Thorough coverage of course content The structure and operations of correctional systems The history and politics of corrections The goals of corrections in society today A logical organization from the role of corrections in controlling crime to an in depth look at the most troubling issues in corrections today A clean page design Consistently clear and direct narrative style

Corrections in America Harry E. Allen,Edward J. Latessa,Bruce S. Ponder,2013 A crucial question in corrections is Who are offenders and what shall we do with them This book deals with the process by which punishment originated as a private matter between an offending party and the victim but later came to be an official state function Significant changes over time are examined starting with 2000 B C and continuing through contemporary efforts to construct places of punishment and reform Corrections Richard P. Seiter,2019-01-11 For introductory courses in corrections An insider s guide to corrections today *Corrections An Introduction* is a realistic practical account of modern corrections that draws on the author s three decades of service in the system While he addresses history and theory in each chapter Seiter focuses mainly on the actual operations of prisons community corrections and jails as well as contemporary challenges for correctional staff and administrators Case studies career information and real examples expose students to the realities of working in corrections The 6th edition has been updated with the most recent data on correctional populations and costs as well as new research and findings affecting correctional policy *Corrections An Introduction* 6th Edition is also available via Revel TM an interactive learning environment that enables students to read practice and study in one continuous experience Introduction to Corrections Vernon Brittain Fox,Jeanne B. Stinchcomb,1994 Introduction to American Corrections Paul K. Clare,John H. Kramer,1976 **Introduction to Corrections** Robert D. Hanser,2012-10-18 *Introduction to Corrections* provides students with an understanding of basic concepts in the field of corrections The book offers comprehensive coverage of both institutional and community corrections with particular emphasis on the perspective of the practitioner Students taking corrections classes often have wild misconceptions about prison work and the corrections environment misconceptions typically derived from movies and the news and even current textbooks In this new text Robert Hanser uses his own on the ground experience to colorfully explain how the corrections system actually works and what s it s like to be a part of it A

practitioner scholar and experienced teacher whose research has focused on gangs domestic violence and corrections Hanser introduces students to the correctional worker s complex world of sub cultural norms the impact of prisoner classification and assessment and both the theory and legal elements affecting corrections systems today **Introduction to Criminology** Frank E. Hagan,2008 Introduction to Criminology Sixth Edition is a comprehensive introduction to the study of criminology and includes one chapter on the criminal justice system It aims to avoid an overly legal and crime control orientation and instead concentrates on the vital core of criminological theory theory method and criminal behavior Hagan investigates all forms of criminal activity such as organized crime white collar crime political crime and environmental crime He explains the methods of operation the effects on society and how various theories account for criminal behavior

Corrections Stan Stojkovic,1997 *Corrections* Richard P. Seiter,2005 Presenting an overview of the entire correctional process this book provides readers with a practical understanding of today s operations of corrections It includes correctional history and theory yet concentrates on what we do in corrections why we do it and what challenges face contemporary correctional staff and administrators Unique integration of the author s practical experience with the theories and policies for correctional agencies demonstrates both the realities and reasons in carrying out correctional practices at the local state and federal levels A five part organization covers theories of crime how society responded to crime prior to the 18th Century the various elements of the correctional process operation perspectives regarding various categories of correctional clients and the challenges facing corrections now and in the future For individuals and taxpayers interested in today s criminal justice system and an understanding of how programs operate and how much they cost *The Penal System* Michael Cavadino,James Dignan,2007-09-17 the most authoritative and sophisticated textbook on the penal system of England and Wales It is essential reading for anyone who wishes to understand the causes character and consequences of the current penal crisis David Downes Mannheim Centre of Criminology London School of Economics What do you look for in a good textbook You would expect it to be as up to date as possible To be presented in a clear and accessible style To cover the issues comprehensively The Penal System delivers in all of these ways Mick Cavadino and Jim Dignan write with passion and authority which makes for an immensely readable book If there is such a thing as an ideal textbook then this is it George Mair Professor in Criminal Justice Liverpool John Moores University remains the most comprehensive up to date and readable text on the subject Yvonne Jewkes Reader in Criminology The Open University The perfect mix of the theoretical and the practical Cavadino and Dignan s updated book is the smartest cutting edge textbook available on the crucial subject of penology Shadd Maruna Queen s University Belfast the book remains an essential resource for students in criminology and criminal justice The authors are hugely effective in delivering a comprehensive guide to criminal justice issues in the 21st century Students will also find the self study guide to electronic sources immensely helpful Loraine Gelsthorpe University of Cambridge The revised and updated edition of this bestselling textbook is the most integrated and authoritative overview of

the penal system available The Penal System provides a complete introduction to all aspects of punishment within the wider context of the criminal justice system It covers all the key theories and topics that a student of criminology or criminal justice needs to know about in their course The new edition features Coverage of the deepening penal crisis New material on restorative justice Discussion of recent theoretical developments An overview of changes in the prison and probation services NOMS Critical analysis of recent developments in criminal justice policy A glossary of key terms and abbreviations An extended self study guide to internet resources A companion website to keep students and teachers up to date with relevant legislation www.sagepub.co.uk/thepenalsystem Building on the strengths of the third edition The Penal System remains the most comprehensive analysis of theory research and policy in the area Praise for previous editions There are few must buy books for students of criminology and criminal justice but since its first edition in 1992 The Penal System An Introduction has been one of them For accuracy and scope as well as its remarkable combination of scholarly rigour and readability the book has no equal and it has only got better through successive editions David Smith Professor of Criminology Lancaster University For more than ten years Cavadino and Dignan have provided by far the best policy relevant and theoretically informed account of the British penal system This new edition has only the high standards of its predecessors to beat Cavadino and Dignan may not have managed to change the penal system for the better with their book but no one has delivered a more accessible or intelligent account of why it is so hard to reform Mike Nellis Professor of Criminal and Community Justice University of Strathclyde
