Christology of the Old Testament Ernst Wilhelm Hengstenberg, 1871      **That His Spirit May Be Saved** Jeremy M. Kimble, 2013-12-10 In an age of tolerance and moral laxity the implementation of church discipline is often looked upon with disdain fear or incredulousness However there is clear biblical precedent for the practice of discipline within a local church context While many are aware of several passages in Scripture that speak to this reality in this work Jeremy Kimble calls readers to observe clear biblical mandates historic precedent as well as theological and practical implications for the practice of church discipline Seeking to venture past the pragmatic discussions surrounding church discipline Kimble articulates for his readers a lucid theological presentation of this topic He argues that discipline serves as a warning of potential end time

judgment As such discipline also serves as a means to the sinner's repentance and the perseverance of the saints within that local church This theological understanding of discipline calls pastors and congregations to faithfulness There is a seriousness to church discipline that cannot be ignored and likewise discipline must also be viewed as a mercy knowing it is a means to repentance and enduring in one's faith

**Distinguishing the Church** Greg Peters, Matt Jenson, 2019-06-27 As the Protestant Reformers did so twenty first century Christians also recognize the need to distinguish between the true and false church Thus they find themselves looking closely at the modern church to determine whether it is a true and faithful church Today's Christians know that proper criteria are necessary to discern the true church The most common criteria wrote John Calvin are that the Word of God is rightly preached and heard and that the sacraments are administered according to Christ's institution Moreover Martin Luther said that suffering is a telltale sign of God's people while Anabaptist and Reformed Christians included discipline among the distinguishing marks of the church These standards take on particular poignancy today The global church continues to live under severe persecution and the American church characterized by a lack of discipline has been wounded by its own sins of chasing sex and power In this collection of essays first given at annual meetings of the Evangelical Theological Society the authors take time to reflect on the Reformational marks of the church in order to help reform Christ's bride With contributions from Edward W Klink III Duane Litfin J Stephen Yuille J V Fesko Keith D Stanglin Greg Cochran Jeremy M Kimble Guy Waters Justin L McLendon
