BRILL'S SCHOLARS' LIST

A Companion To The Study Of Virgil

Elizabeth Barrett Browning

A Companion To The Study Of Virgil:

A Companion to the Study of Virgil Nicholas Horsfall, 2000-08-18 This book is not yet another introduction to Virgil's poetry. The editor and three contributors offer a guide to the key problems and to the most intelligent discussions. They do not hesitate to point out what we do not know and where more work needs to be done. Apart from ample discussion of the poems and the main issues they raise, the book offers chapters on the life of Virgil, his style, and his influence on late Latin epic.

A Companion to the Study of Virgil Nicholas Horsfall, 2000-08-01 A Companion to the Study of Virgil is not yet another introduction to Virgil's poetry, nor is it the thinking man's version of the bibliographies in ANRW. The editor and three outside contributors offer a guide both to the key problems and to the most intelligent discussions. They do not offer solutions to all the difficulties but are not frightened to admit that this we do not know that that is a mess and that there more work is to be done. The book is aimed at graduate students and university teachers. Many of the issues are difficult and artificial simplifications seem to offer no advantages. Apart from ample discussion of the poems and the main issues they raise, the book offers chapters on the life of Virgil, his style, his influence on later Latin epic, W. R. Barnes on Latin life and culture, Horsfall and on his MS tradition, Geymonat.

The Oxford encyclopedia of ancient Greece and Rome. - Vol. 1 - 7 Michael Gagarin, 2010

Vergil's Political Commentary Leendert Weeda, 2015-06-16 In the book titled Vergil's political commentary in Eclogues, Georgics, and Aeneid, the author examines Vergil's political views by analyzing the whole of the poet's work. He introduces the notion of the functional model, suggesting that the poet often used this instrument when making a political statement. New interpretations of a number of the Eclogues and passages of the Georgics and the Aeneid are suggested, and the author concludes that Vergil's political engagement is visible in much of his work. During his whole career, the poet was consistent in his views on several major political themes. These varied from the distress caused by the violation of the countryside during and after the expropriations in the 40s B.C. to the horrors of the civil war and the violence of war in general, and the necessity of strong leadership. Vergil hoped and expected that Octavian would establish peace and order, and he supported a form of hereditary kingship for which he considered Octavian a suitable candidate. He held Cleopatra in high regard and he appreciated a more meaningful role for women in society. Vergil wrote poetry that supported Augustus, but he had also the courage to criticize Octavian and his policies. He was a commentator with an independent mind and was not a member of Augustus' putative propaganda machine.

The Primacy of Vision in Virgil's Aeneid Alden Smith, 2005 One of the masterpieces of Latin and indeed world literature, Virgil's Aeneid was written during the Augustan renaissance of architecture, art, and literature that redefined the Roman world in the early years of the empire. This period was marked by a transition from the use of rhetoric as a means of public persuasion to the use of images to display imperial power. Taking a fresh approach to Virgil's epic poem, Riggs Alden Smith argues that the Aeneid fundamentally participates in the Augustan shift from rhetoric to imagery because it gives primacy to vision over speech as the principal means of

gathering and conveying information as it recounts the heroic adventures of Aeneas the legendary founder of Rome Working from the theories of French phenomenologist Maurice Merleau Ponty Smith characterizes Aeneas as a voyant visible a person who both sees and is seen and who approaches the world through the faculty of vision Engaging in close readings of key episodes throughout the poem Smith shows how Aeneas repeatedly acts on what he sees rather than what he hears Smith views Aeneas final act of slaying Turnus a character associated with the power of oratory as the victory of vision over rhetoric a triumph that reflects the ascendancy of visual symbols within Augustan society Smith s new interpretation of the predominance of vision in the Aeneid makes it plain that Virgil s epic contributes to a new visual culture and a new mythology of Imperial Rome

A Reading of Virgil's Aeneid Book 2 Paul Murgatroyd,2021-06-08 This book is aimed primarily at English speaking Classical Civilization students taking courses in Virgil epic and myth at schools colleges and universities but will also be of interest to students reading Virgil Aeneid 2 in Latin and to the general reader The book provides something new for those studying Virgil in translation offering a detailed and in depth literary analysis of a single book of the Aeneid one of the most famous and appealing parts of the whole poem The book provides a brief introduction to Virgil and the Aeneid in general and Book 2 in particular It also offers literary analysis in order to enhance critical appreciation and plain enjoyment making the book really come alive At the end of each chapter exercises topics for investigation and references to other scholars and Classical authors are included to extend the engagement with Virgil At the end of the book Appendix A contains translations of other versions of the fall of Troy and Appendix B summarizes the rest of Aeneas narrative in Book 3 of the Aeneid with translation of and comment on key passages

Virgil's Gaze Joseph D Reed,2016-07-26 Virgil s Aeneid invites its reader to identify with the Roman nation whose origins and destiny it celebrates But as J D Reed argues in *Virgil s Gaze* the great Roman epic satisfies this identification only indirectly if at all In retelling the story of Aeneas foundational journey from Troy to Italy Virgil defines Roman national identity only provisionally through oppositions to other ethnic identities especially Trojan Carthaginian Italian and Greek oppositions that shift with the shifting perspective of the narrative Roman identity emerges as multivalent and constantly changing rather than unitary and stable The Roman self that the poem gives us is capacious adaptable to a universal nationality potentially an imperial force but empty at its heart However the incongruities that produce this emptiness are also what make the Aeneid endlessly readable since they forestall a single perspective and a single notion of the Roman Focusing on questions of narratology intertextuality and ideology *Virgil s Gaze* offers new readings of such major episodes as the fall of Troy the pageant of heroes in the underworld the death of Turnus and the disconcertingly sensual descriptions of the slain Euryalus Pallas and Camilla While advancing a highly original argument Reed s wide ranging study also serves as an ideal introduction to the poetics and principal themes of the Aeneid

Virgil's Double Cross David Quint,2018-05-22 The message of Virgil s Aeneid once seemed straightforward enough the epic poem returned to Aeneas and the mythical beginnings of Rome in order to celebrate

the city's present world power and to praise its new master Augustus Caesar. Things changed when late twentieth century readers saw the ancient poem expressing their own misgivings about empire and one man rule. In this timely book David Quint depicts a Virgil who consciously builds contradiction into the Aeneid. The literary trope of chiasmus reversing and collapsing distinctions returns as an organizing signature in Virgil's writing a double cross for the reader inside the Aeneid's story of nation, empire and Caesarism. Uncovering verbal designs and allusions, layers of artfulness and connections to Roman history, Quint's accessible readings of the poem's famous episodes—the fall of Troy, the story of Dido, the trip to the Underworld and the troubling killing of Turnus—disclose unsustainable distinctions between foreign war, civil war, Greek/Roman enemy/lover, nature/culture and victor/victim. The poem's form, Quint shows, imparts meanings it will not say directly. The Aeneid's life and death issues about how power represents itself in grand narratives about the experience of the defeated and displaced and about the ironies and revenges of history resonate deeply in the twenty-first century. This new account of Virgil's masterpiece reveals how the Aeneid conveys an ambivalence and complexity that speak to past and present.

The Cambridge Companion to Virgil Charles Martindale, 1997-10-02. Virgil became a school author in his own lifetime and the centre of the Western canon for the next 1800 years, exerting a major influence on European literature, art and politics. This Companion is designed as an indispensable guide for anyone seeking a fuller understanding of an author critical to so many disciplines. It consists of essays by seventeen scholars from Britain, the USA, Ireland and Italy, which offer a range of different perspectives, both traditional and innovative, on Virgil's works and a renewed sense of why Virgil matters today. The Companion is divided into four main sections focussing on reception, genre, context and form. This ground-breaking book not only provides a wealth of material for an informed reading but also offers sophisticated insights which point to the shape of Virgilian scholarship and criticism to come.

The Design of Virgil's Bucolics John Van Sickle, 1978. Among the many recent studies of the Bucolics, none has dealt systematically with the evidence newly broached by modern scholarship that Virgil's book may be a single unified composition in which the ten eclogues, rather than separate poems, gathered and arranged, are parts worked out expressly for their places and differentiated functions in the whole. The present study, emphasizing the need for considered method, approaches the book's unity first in terms of theme. It shows that Virgil deployed themes in three registers: a bucolic, a georgic and a civic-heroic, that develop and systematically vary through all the eclogues in the order of the book. A thematic system thus emerges in the book as a whole. It may share the traditional functions of rhetoric and music at the level of performance, but it is shown also to articulate, on reflective reading, an ambitious design in poetics. Through it, Virgil reckons with the entire tradition of epos, which he recasts from two modes into three: Hesiodic, Homeric, bucolic. He thus establishes the tripartite frame for his life's work with its ultimate emulation of Homer. In the process, through the successive eclogues, he also gradually transforms the bucolic mode from Sicilian/Theocritean to Arcadian. This, he conceives, as a return to the source, hence a new beginning that outdoes Theocritus.

Back cover **Vergil and Biblical Exegesis in Early Christian Latin Epic** Feng-Feng Gao,2002 *Harvard Studies in Classical Philology* ,1903 Becoming Vergil Holly Marie Sypniewski,2002 Publishers' circular and booksellers' record ,1888 *Publishers' Circular and Booksellers' Record of British and Foreign Literature* ,1888 Ancient Roman Writers Ward W. Briggs,1999 The history of Rome is essentially the history of one nation imitating another namely Greece The Romans invented only one genre the satire Roman writers borrowed their subject matter from the Greeks in all but one respect history Several of these Roman authors were slaves or came from slave families It was the Greek speaking early freed slaves that taught the Romans to give their literature subjectivity *Vergil's Aeneid and the Roman Self* Yasmin Syed,2005 Syed argues that the first century BC Latin poem had a significant impact on its Roman readers sense of self as Romans and articulated Roman identity for them through the readers identification with and differentiation from its fictional characters She considers identity at both the individual level of the subject and the collective level of et **Memoirs of the American Academy in Rome** American Academy in Rome,2010 **Classical Literature and Its Times** Joyce Moss,2006 Examines the relationship between the political social climate during which books were written and the works themselves This volume focuses on classical literature **The Works of Elizabeth Barrett Browning** Elizabeth Barrett Browning,2010

A Companion To The Study Of Virgil Introduction

In the digital age, access to information has become easier than ever before. The ability to download A Companion To The Study Of Virgil has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download A Companion To The Study Of Virgil has opened up a world of possibilities. Downloading A Companion To The Study Of Virgil provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading A Companion To The Study Of Virgil has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download A Companion To The Study Of Virgil. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading A Companion To The Study Of Virgil. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that

prioritize the legal distribution of content. When downloading A Companion To The Study Of Virgil, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download A Companion To The Study Of Virgil has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About A Companion To The Study Of Virgil Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. A Companion To The Study Of Virgil is one of the best book in our library for free trial. We provide copy of A Companion To The Study Of Virgil in digital format, so the resources that you find are reliable. There are also many Ebooks of related with A Companion To The Study Of Virgil. Where to download A Companion To The Study Of Virgil online for free? Are you looking for A Companion To The Study Of Virgil PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another A Companion To The Study Of Virgil. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of A Companion To The Study Of Virgil are for sale to free while some are

payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with A Companion To The Study Of Virgil. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with A Companion To The Study Of Virgil To get started finding A Companion To The Study Of Virgil, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with A Companion To The Study Of Virgil So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading A Companion To The Study Of Virgil. Maybe you have knowledge that, people have search numerous times for their favorite readings like this A Companion To The Study Of Virgil, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. A Companion To The Study Of Virgil is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, A Companion To The Study Of Virgil is universally compatible with any devices to read.
