

A large, detailed illustration of a crow is the central focus, perched on a light brown tree branch that curves across the top of the frame. The crow is dark, with intricate feather patterns, and its head is turned downwards, looking towards a small village in the distance. The background is a clear, light blue sky. In the bottom right corner, a small, colorful illustration shows a village with white houses and a road, set in a green landscape. The overall style is that of a children's book cover, with bold text and vibrant colors.
