A Deliberate Life:

Pro Rege Abraham Kuyper,2016-07-13 Abraham Kuyper wrote Pro Rege to bridge the divide between believers lives inside and outside the church He believed that a healthy view of Jesus kingship was essential to closing that gap In this first volume Kuyper discusses how Satan s kingdom opposes undermines and obscures Christ s kingship He then lays out the kingship of Christ according to Scripture From his vantage point at the dawn of the 20th century Kuyper explains the scope of Christ s dominion over all of life in his own culture yet does so in a way that also strikingly impacts the 21st century reader This new translation of Pro Rege created in partnership with the Abraham Kuyper Translation Society and the Acton Institute is part of a major series of new translations of Kuyper s most important writings The Abraham Kuyper Collected Works in Public Theology marks a historic moment in Kuyper studies aimed at deepening and enriching the church s development of public theology

The [Deliberate] Mind Ernest Krolick,2019-07-24 This book has been written to show what is fundamentally possible From a life situation of severe and debilitating psychological suffering to a constant state of ease joy peace love and abundance in the now moment But I did not change my life with words Instead I decided to take my mind back and began to point my conscious awareness and attention by choice By doing this all the time I have come to know the now moment much differently than before when I was mostly oblivious to the world around me Now everything has changed How I feel how others feel around me how I navigate and interact with my life experience is evolving and expanding into the far reaches of infinite potential and possibility But this is not abstract ideology and wordplay designed to excite your mind Instead I offer a practice Something that can be done and not just talked about It s an embodiment practice of shining the light of our attention where we want it to shine in the now moment

Abortion and Social Responsibility Laurie Shrage,2003-01-16 Shrage argues that Roe v Wade s regulatory scheme of a six month time span for abortion on demand polarized the public and obscured alternatives with potentially broader support She explores the origins of that scheme then defends an alternate one with a time span shorter than 6 months for non therapeutic abortions that could win broad support needed to make legal abortion services available to all women

Road-book America Rowland A. Sherrill,2000 Sketching the socially marginal ingenuous traveling characters common to both old and new versions Sherrill shows how the new American picaresque transforms the satirical aims of the original into an effort to map and catalog the immensity and variety of America

THE SILENCE BETWEEN Renica Rego,2021-01-30 Nandi being Lord Shiva s vehicle is always found sitting at the doorway of the temple in a perpetually silent but alert waiting mode Nandi thus has gained on a symbolism teaching us the virtue of simply sitting vigilant but without expectations The image of Nandi essentially reminds us to pause and pay attention to life Only in the pauses can the music of the Universe be heard
