*Psycho-Social Analysis of the Indian Mindset* Jai B.P. Sinha,2014-10-17 This volume situates Indians in the contemporary world and profiles the major facets of their thought and behaviour then goes back to trace their roots to ancient thought to see how the past predisposes and the present guides Indians in their everyday life The volume begins with a conceptual framework showing how the Indian worldview has encompassed and enveloped a variety of ideas and influences from divergent sources As a result Indians are both collectivists and individualists hierarchically oriented while respecting merit and quality religious as well as secular and sexually indulgent spiritual as well as materialists excessively dependent but remarkably entrepreneurial non violent in principle but violent in practice and comfortable in shifting between analytical synthetic as well as intuitive approaches to reality Such a coexistence of opposites often causes inaction hesitation and perfunctory action but also equips Indians to be innovative by continuously aligning their thought and behaviour to the demands of a milieu The milieu has an inner layer consisting of desh place kaal time and paatra person which are embedded in the larger societal contexts of castes and classes poverty corruption fragmenting politics conflicts and violence and unfolding global opportunities and challenges Cultural heritage permeates in all these Indians function in this tiered multifactorial dynamic space This volume draws evidence from ancient texts and the latest national and international research many of which were conducted by the author and his associates It does not however hesitate to indulge in anecdotal evidence cases and speculative ideas in order to complete the picture The author takes an in depth view of the Indian mindset without getting the reader lost in either the intricacies of ancient philosophical abyss or the trivialities of present day non events
