A Different Kind of Love Story Landra Young Hughes,2020-02-04 In this book you re going to read about a different kind of love story It s a love story each and every one of us is currently playing a role in whether we re aware of it or not And truth be told it s scary critical that we stay tuned in to this love story Because outside of a growing relationship with your heavenly Father no other love or lack of love has the potential to improve or implode your life like the love that you have for you For anyone who has ever struggled with their identity Landra Young Hughes has a radically simple message give up Specifically give up your need to be in control of how other people see you Instead let God s words not yours and not others define you Through her own deeply personal story of trying to control her circumstances and others perceptions of her through an eating disorder Landra points the way toward a life free from self obsession and self resentment She shows you how to listen to God s voice let go of the struggle for perfection and live authentically from your deepest self
