A Difficult Time My Journey In Medicine:

A Difficult Time Jerry Sobieraj,2001-11 The troubles in our health care system are discussed in the news on a daily basis Finally a book that tells us how some of the issues impact on the practice of primary care Learn why so many doctors are leaving the field of Medicine and what may be done to halt this exodus *Lessons Learned on My Journey with Jeff* Linda Farris,2022-07-13 Becoming the parent of a special child can be a devastating event It can also open doors you had never wished to enter bring deeper friendships than you ever imagined and give you love and joy you did not know exists While encountering many challenges the journey with Jeff has been one of unexpected environments people and blessings Every mother faces unexpected obstacles on her parenting journey But what seems like an obstacle at first glance can actually be an unforeseen blessing Such is the case for Linda Farris when her son Jeff was born Linda shares her experience raising a child with disabilities and offers an honest and hopeful perspective that can benefit every family Karyn Tunks Ph D is an author and professor emeritus at University of South Alabama Jeff s words are his own but he speaks a language all can understand He speaks of joy and passion before our Lord None can understand better than his mother Bryant Evans Minister Eastern Shore Church of Christ Daphne Alabama Linda Farris addresses her greatest life challenges and how she turns difficulty into positive life lessons Fortunately for us she possesses a charming writing style for which to share he life s challenges in a way we can enjoy Bob Zeanah author of the Sugar Bear series Jeffrey s enthusiasm and heart is a gift to us all It is a joy to know him and his family I am honored to be his physician Dr Andrew Dukes *Afraid of the Doctor* Meghan L. Marsac,Melissa J. Hogan,2021-07-16 Provides parents with the tools to support children who experience medical trauma *Afraid of the Doctor* is the first book written for parents to equip them with the knowledge and skills to support their children through medical challenges on a day to day basis and specifically with medical trauma experiences in healthcare that can profoundly affect a child s response and willingness to even go to the doctor The challenge of medical trauma is often under recognized and overlooked in the healthcare system leaving parents to learn about it and manage it on their own This book helps parents understand medical trauma and learn strategies to reduce and even prevent it empowering them to better care for their child s emotional and physical health *Afraid of the Doctor* integrates character stories throughout the book to illustrate the signs and symptoms of medical trauma and the roles parents and caregivers play in supporting their child through medical challenges Readers will find twelve distinct strategies they can implement to help prevent and reduce medical trauma and otherwise support their child while facing medical interventions or a chronic condition With compassion and empathy Meghan Marsac and Melissa Hogan offer parents the tools they need to choose the strategies that will work best for their children and their families **My Journey** Ramsis F. Ghaly MD FACS,2020-03-16 My journey is documented in this two volume book numbers 14th and 15th of my series *Christianity and the Human Brain* My journey is a testimony to Lord Jesus who took me by the hand from being a dismal soul to a renown neurosurgeon and anesthesiologist through a

dream I had in 1974 with his words Son study all these books in my hand and I shall bless you and bless your patients Today 35 years later I continue to dedicate my life to my Lord my patients and the residents I mentor The fulfillment of my joy is when my Almighty helps me to care for my patients and guides my hand in both neurosurgery and the teaching of coming generations There are many stories and reflections to share with you Lessons learned in various topics It is my honor to share with you my journey and my Joy The two volume books contain 181 chapters distributed in twenty sections ten in each volume covering major highlights in my life journey In addition to deep reflections from my own life stories in faith and medicine topics include Jesus love patient care the human brain neurosurgery illness residents healthcare crises meditations and memories over four decades I hope you the reader to take the positives of my journey and find it useful to your own journey as a participant sojourning in this world with me Blessed are those striving early on in their life to serve our Savior Jesus Christ to him is the glory for ever and ever Amen
